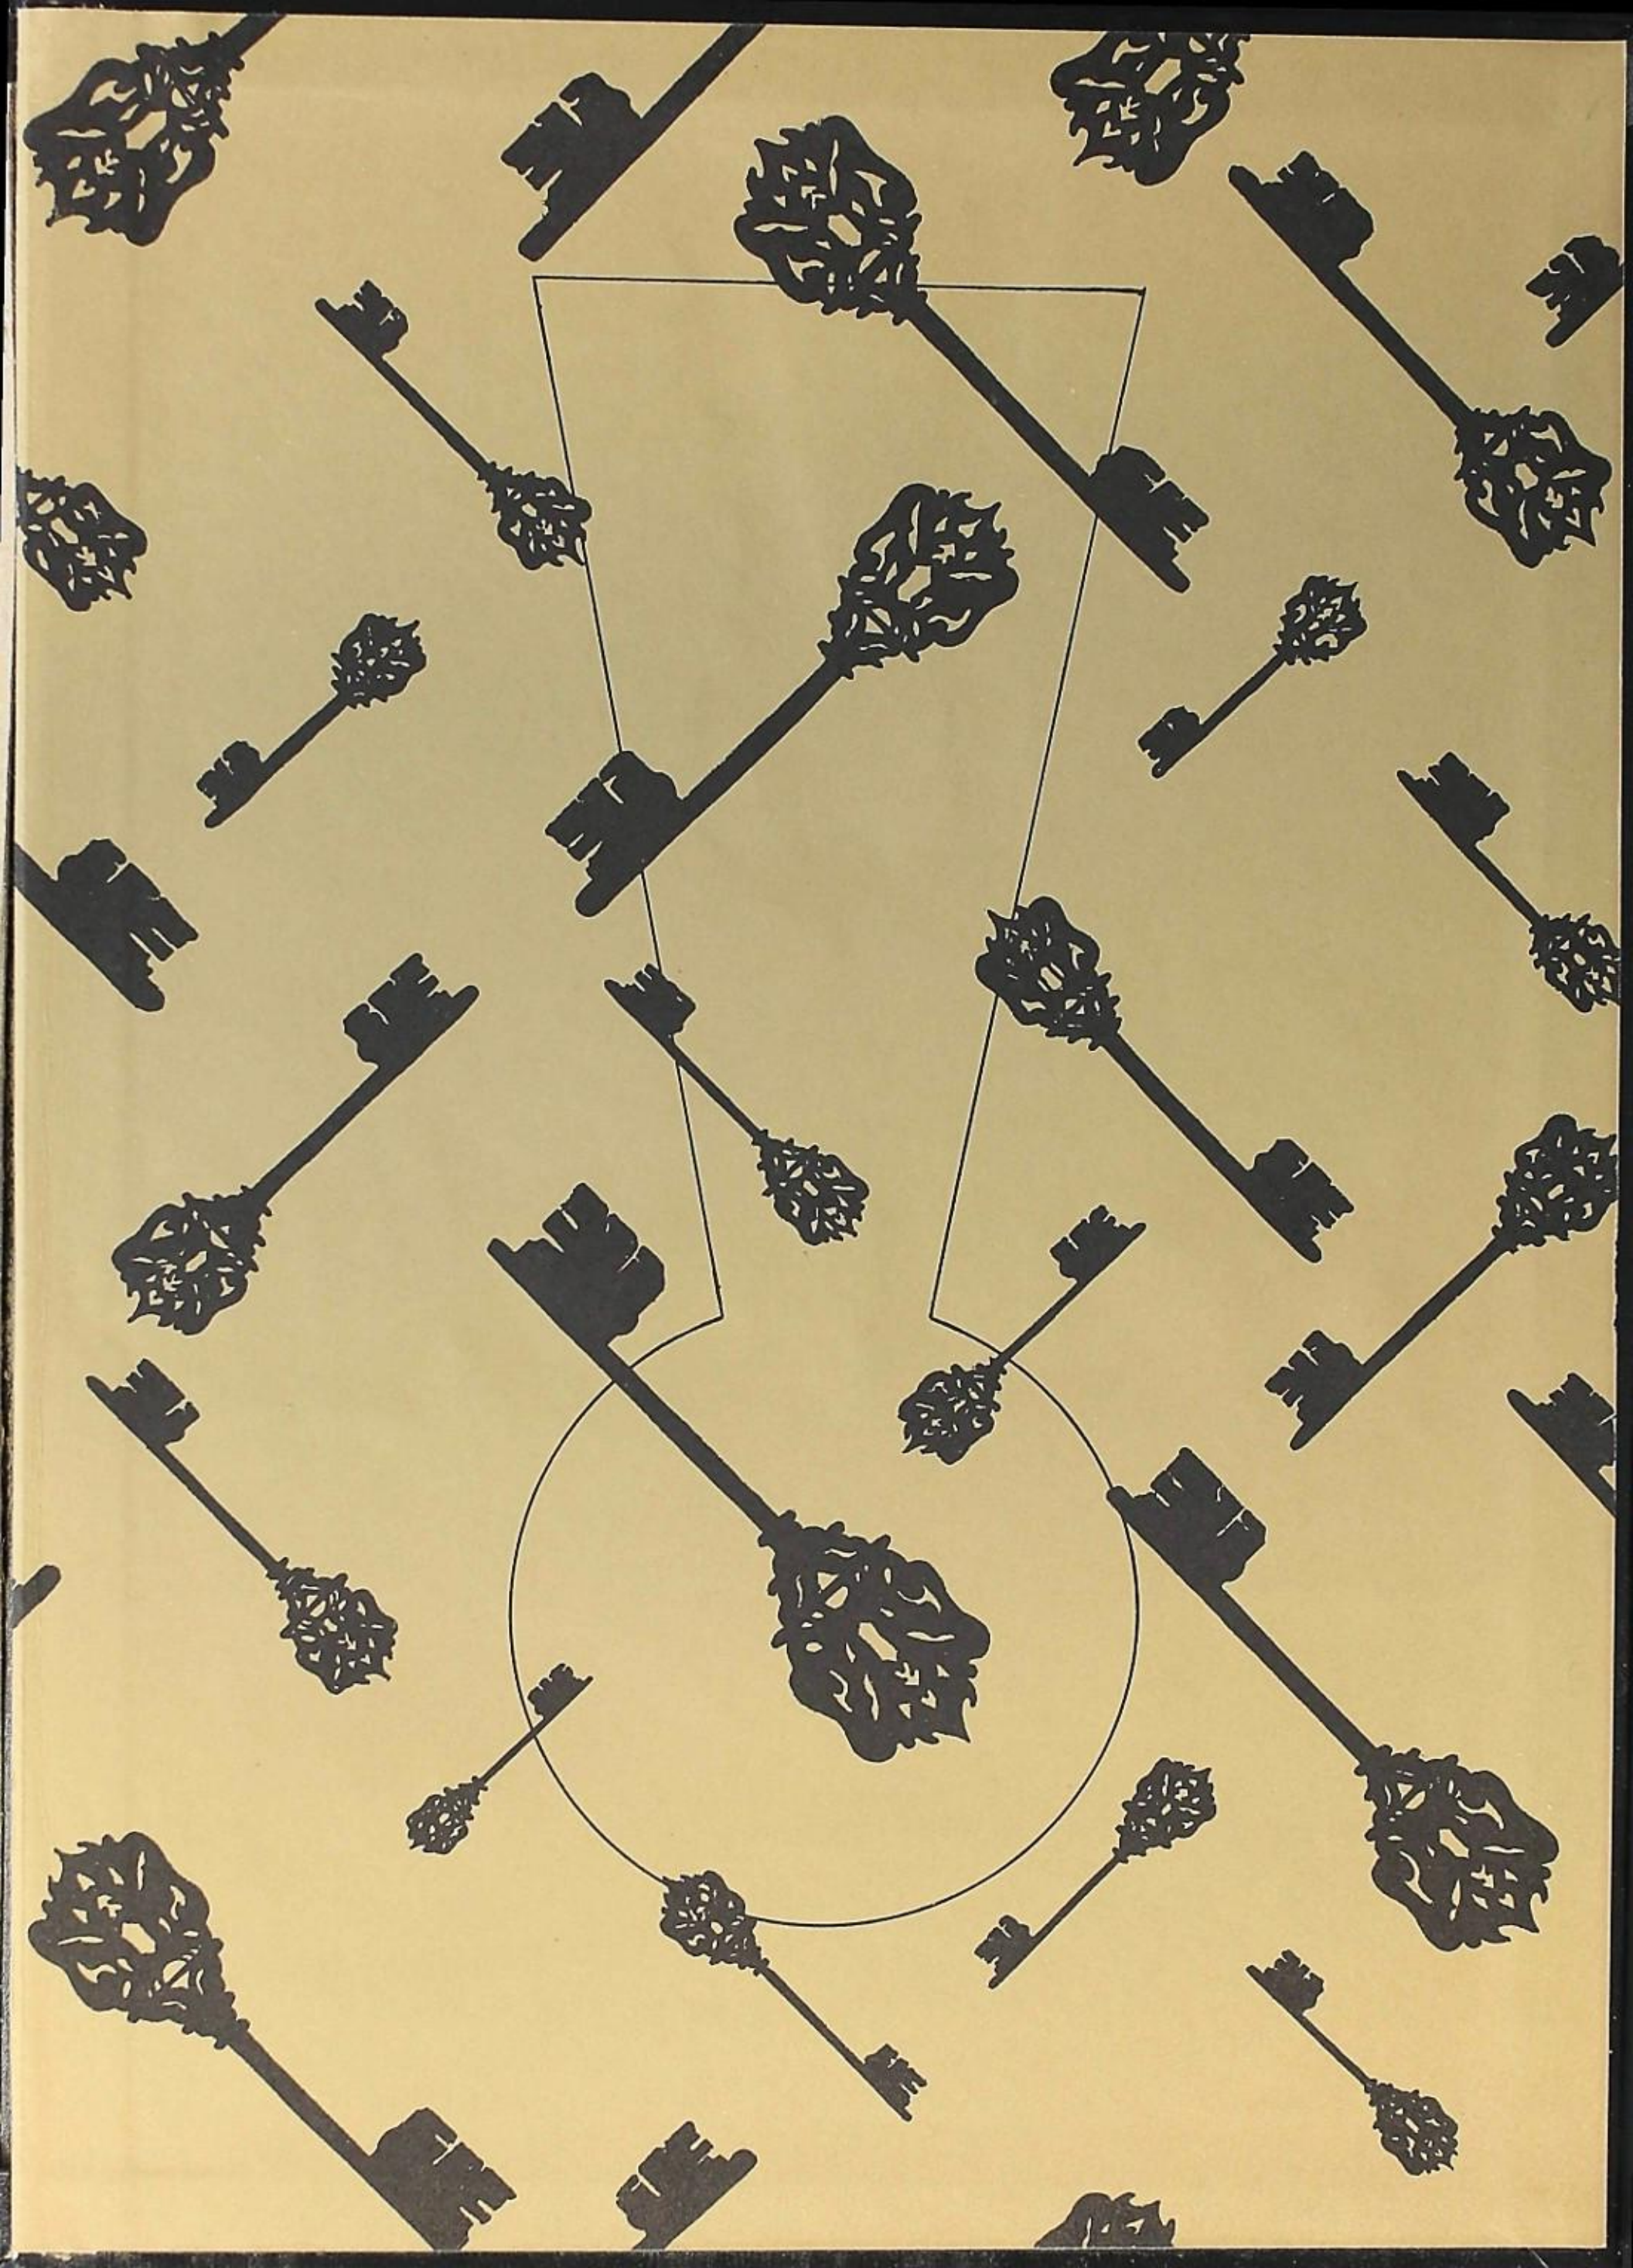
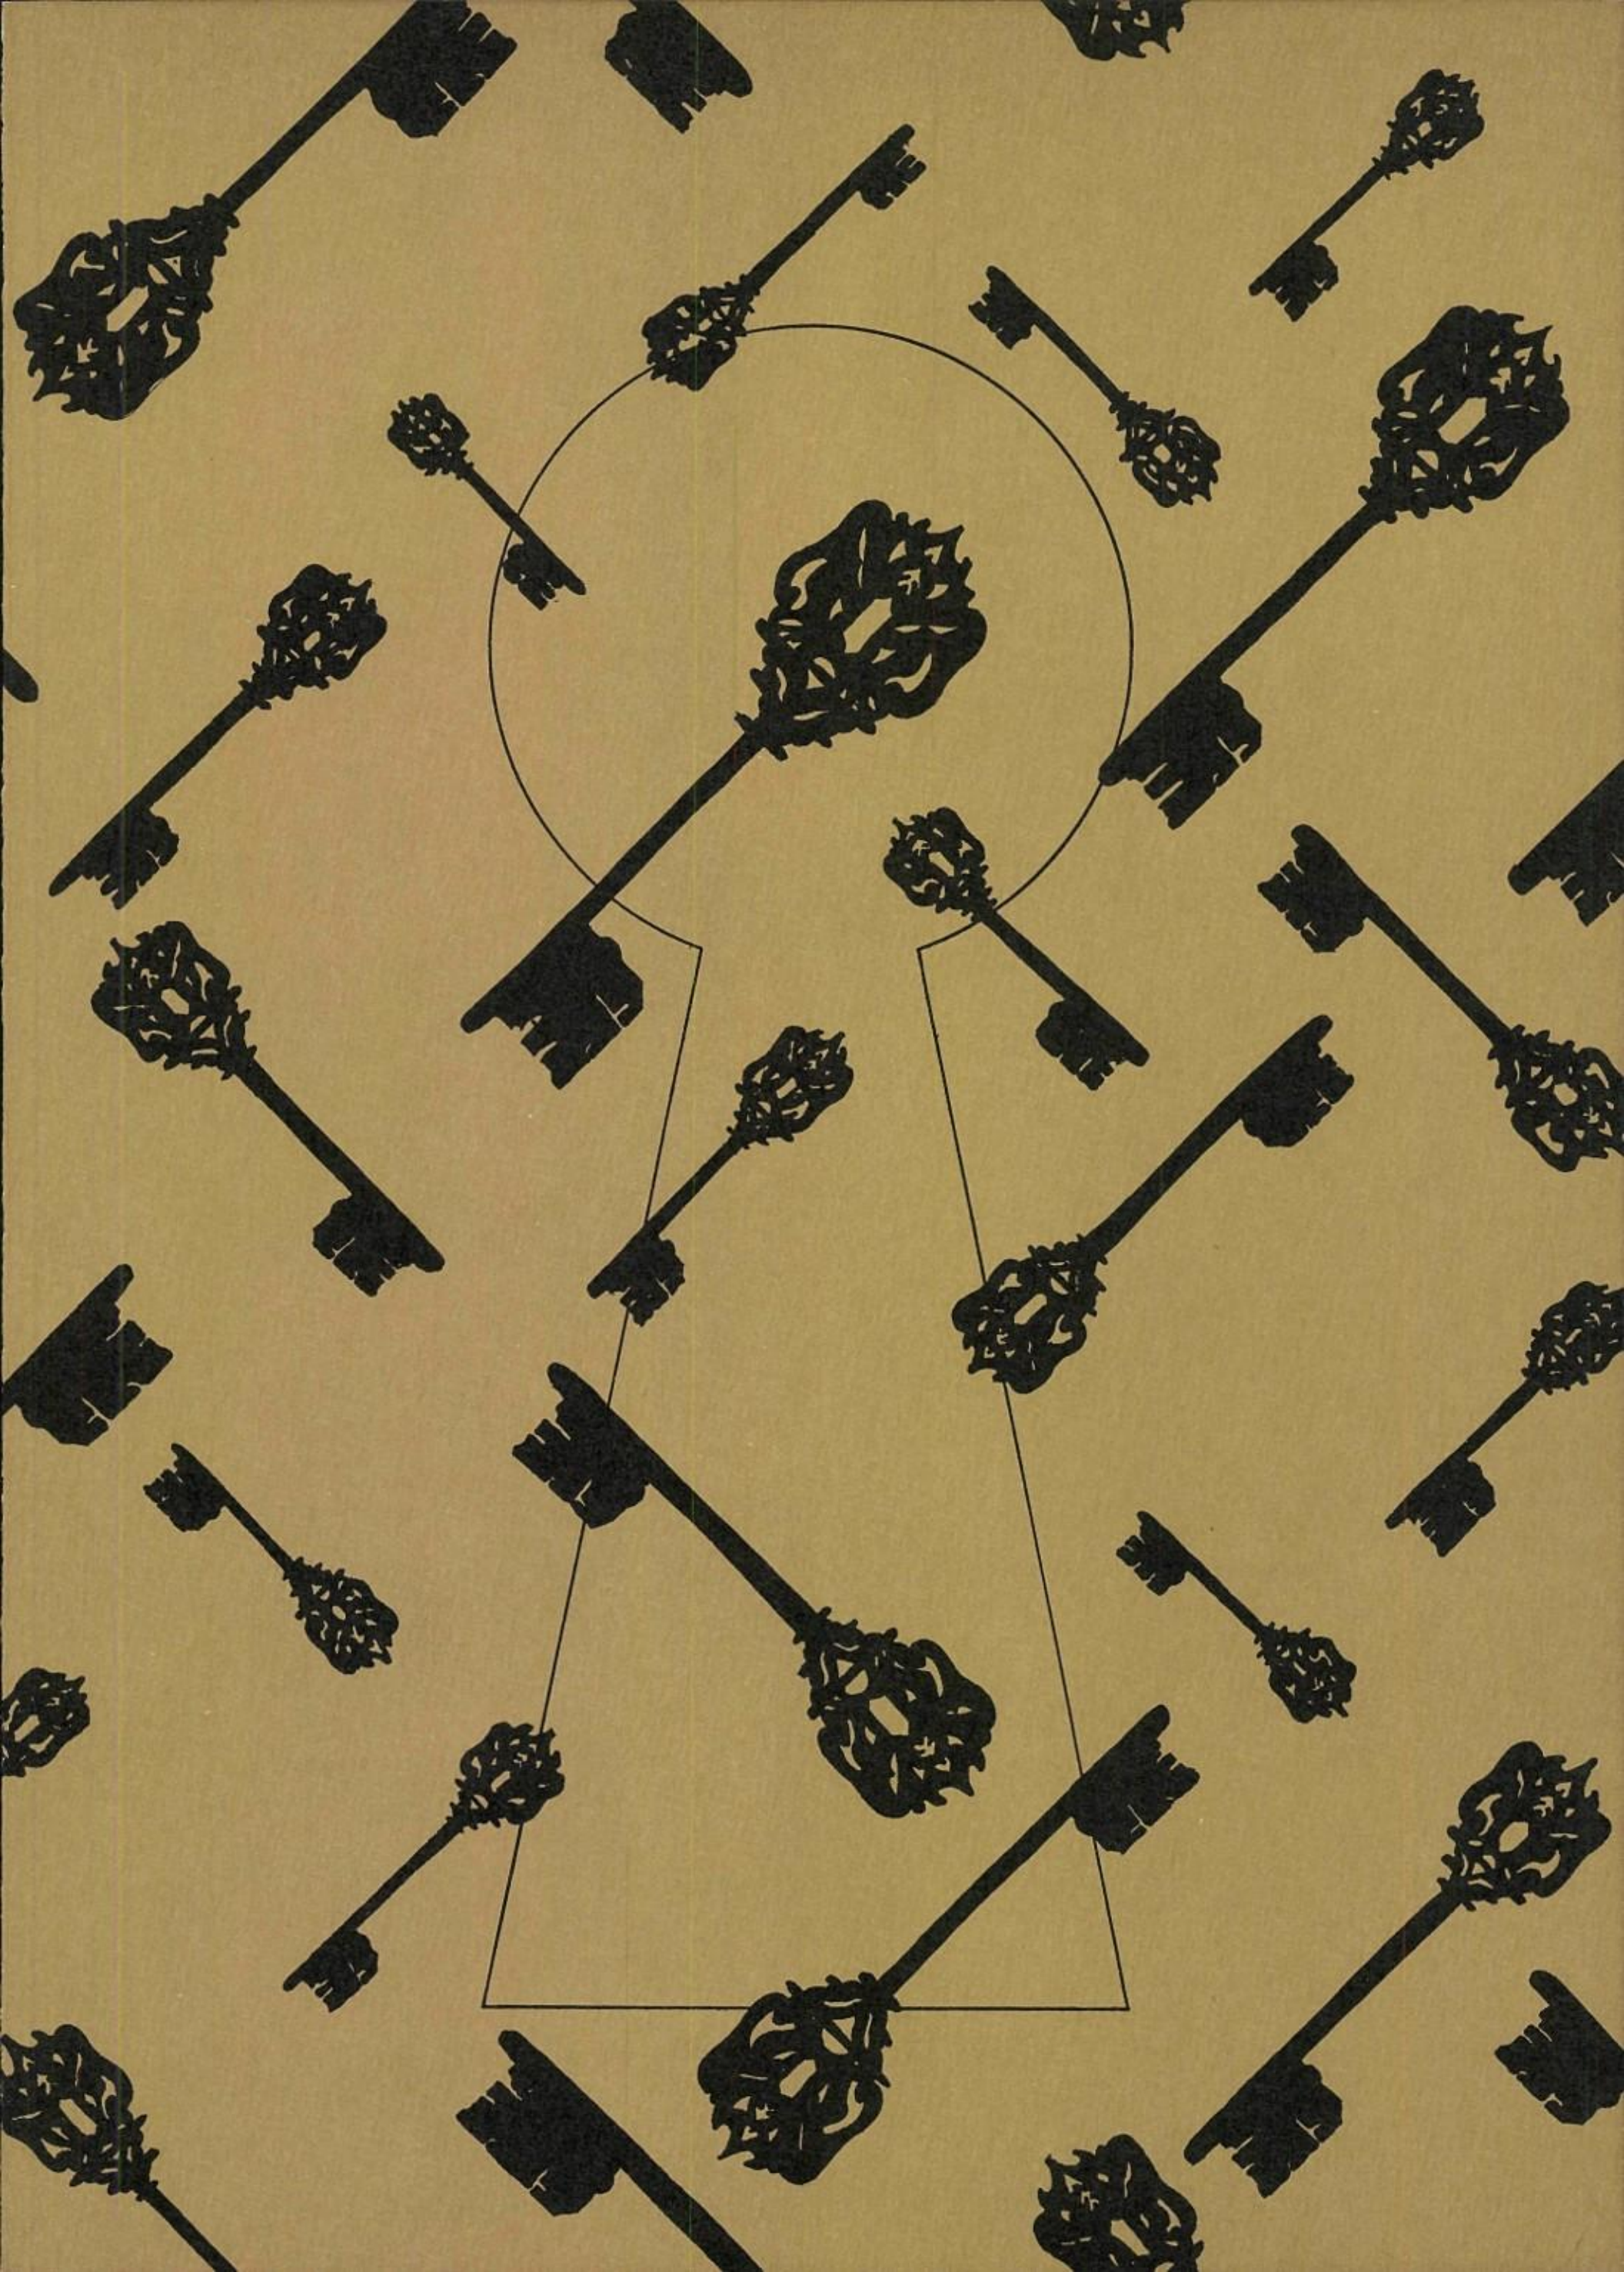
OWL'S NEST





OWL'S NEST

1965

Garland High School
Garland, Texas

Foreword

This book is a treasure chest which holds the memories of the past year. And though the year itself is spent, the memories will serve as our key to both the past and the future.

Let us use our key to reopen the doors we have closed behind us throughout the year. We shall enter the past and relive those experiences most dear to us . . . the wonderful Owl spirit felt during pep rallies . . . the Homecoming Parade float that took forever to complete . . . the second AAAA State Championship . . . the dread developed for a particular class . . . the anticipation before and the excitement during the Popularity Ball and the Prom . . . the satisfaction of knowing that another wonderful year at GHS has been completed . . . and so many, many more.

And as we recall these events with a smile or a sigh, we realize the precious value of the past. We shall see how our past is the basis for the future, how our memories are a link between these two.

Dedication

What does Garland High School stand for?

It is a symbol of unity, spirit, friendliness, education and concern for the present and the future.

Perhaps another symbol of GHS is Mrs. Martha Willis, who, during her five-and-a-half years as a faculty member, has incorporated all of these qualities.

As director of student activities and sponsor of the Student Council, her goal was to unite Garland High School. As a teacher of Typing I, her goal was to educate her students to the best of her ability. As cheerleader sponsor, her goal was to create and sustain that feeling which exists wherever there is friendliness and unity—spirit.

Unity, spirit, friendliness, education concern—these were her goals, and she has attained them. Although Mrs. Willis is no longer at Garland High School, she will remain a part of it for many years to come.

Administrators During Study Halls

CLINIC ASSISTANTS

The clinic assistants have two main purposes. These purposes are to assist the nurses in any way possible and to administer first aid wherever it is needed. Two students are on duty each period of the day and check those students who are ill in and out of the clinic.

GARLAND AVENUE OFFICE ASSISTANTS

Assistants in the GA offices spend their hours recording the attendance for the day, running errands, answering the telephone, and typing office material.

AVENUE D OFFICE ASSISTANTS

Avenue D office assistants also record attendance, run errands, type, and answer the telephone. However, they have the additional duty of checking in and issuing textbooks for all GHS students.

Behind Scene Workers of GHS

The three most commonly recognized ingredients for a successful school are students, teachers, and teaching. But in each successful school, there is an unknown factor, an unrecognized factor.

At GHS this "X, the Unknown" has been identified specifically as those employees of the school system who remain in the background and yet who are responsible for maintaining the appearance of the building and for seeing that the students and faculty members receive a proper diet.

Cafeteria workers are, *Back Row:* Mrs. Mildred Ethel, Mrs. Nell Bartlett, Mrs. Louise Miller, Mrs. Virginia Pitts, Mrs. Marie McCraw, and Mrs. Ruth Oehlke. *Front Row:* Mrs. Norma Meador, Mrs. Winnie Hedge, Mrs. Olive Davis, Mrs. Louise Young, and Mrs. Elsie Dykes.

There's More to a School Day Than Just Teaching . . .

"Well, Santa, there *is* one little thing. You know these Seniors? I was thinking . . ." Mr. Pease wasn't the only faculty member with request for Santa.

"O. K. you future Davis Cuppers," instructed Mr. Strain, "you can't play tennis without practice. Get out there and hit a few balls around while I map out our strategy."

At the end of football season and basketball season, there comes the sigh of relief that Mrs. McGraw only has Deb tryouts left to face.

Mr. Hudson, along with half of Garland, displayed his loyalty to the power-plus team.

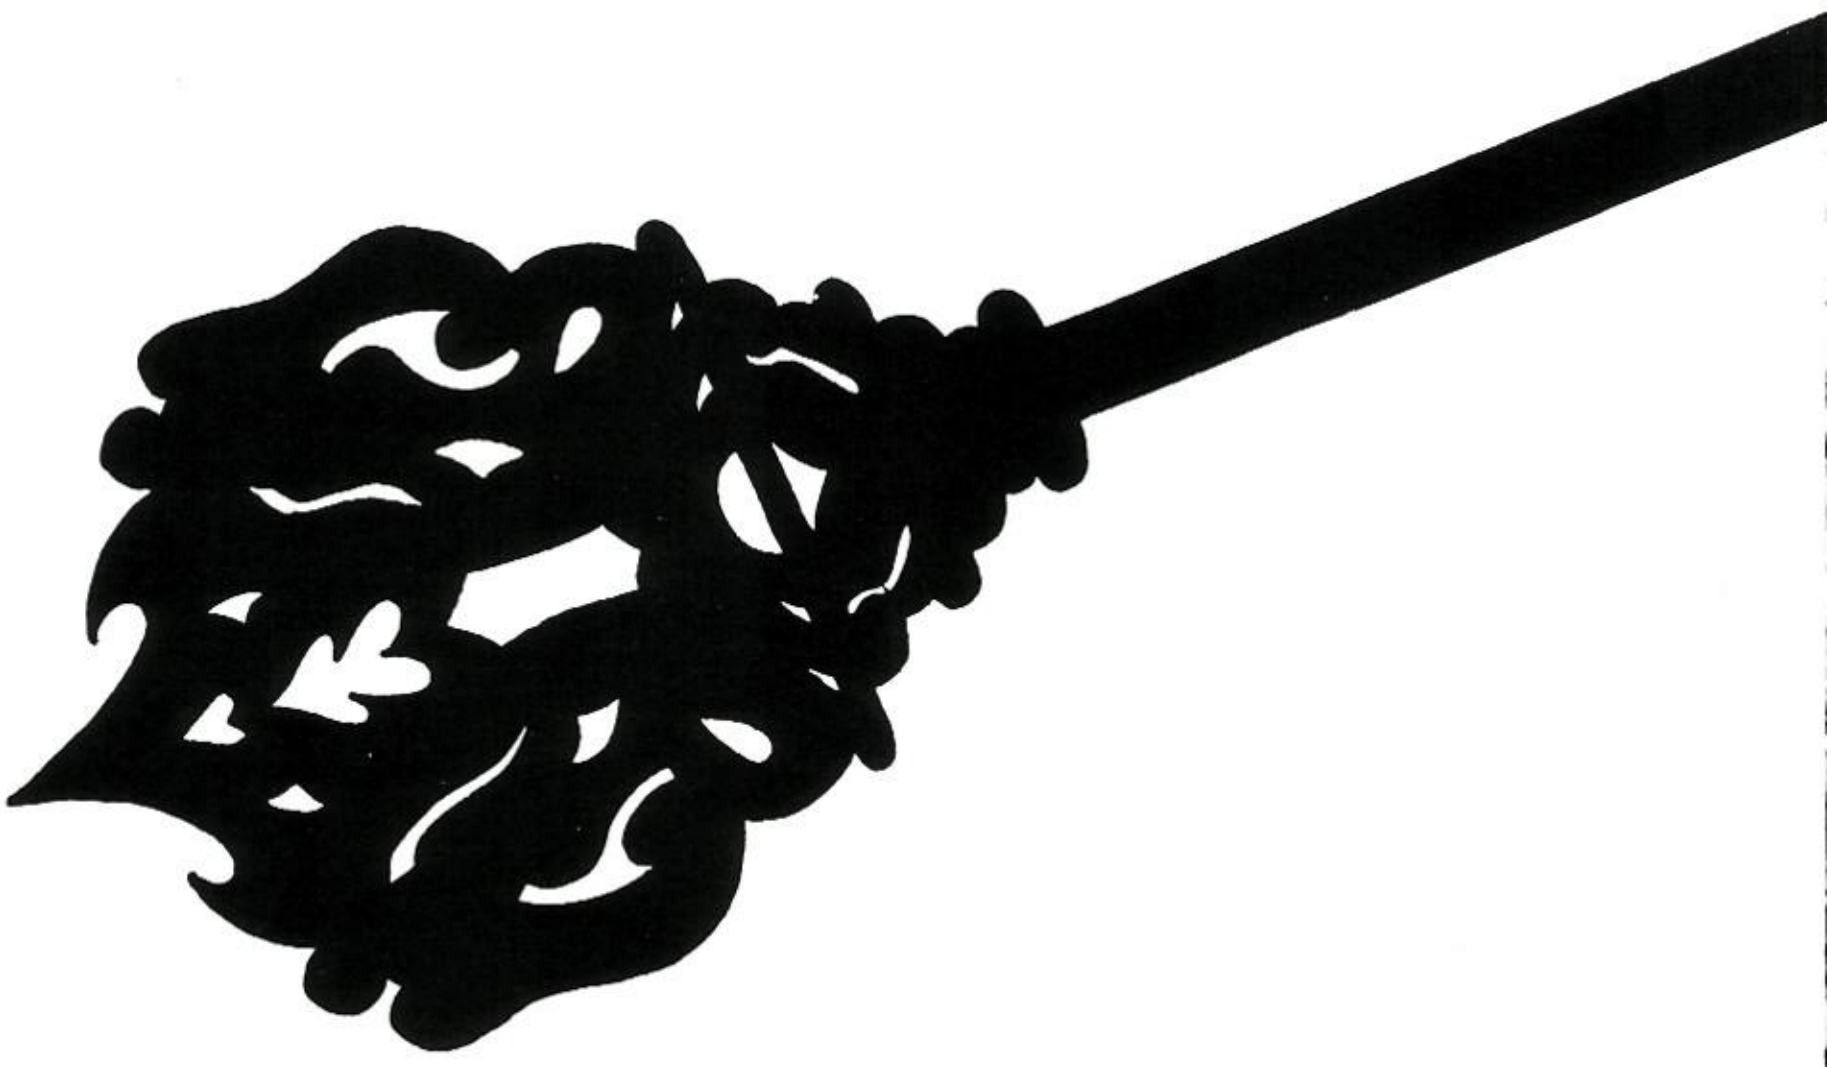
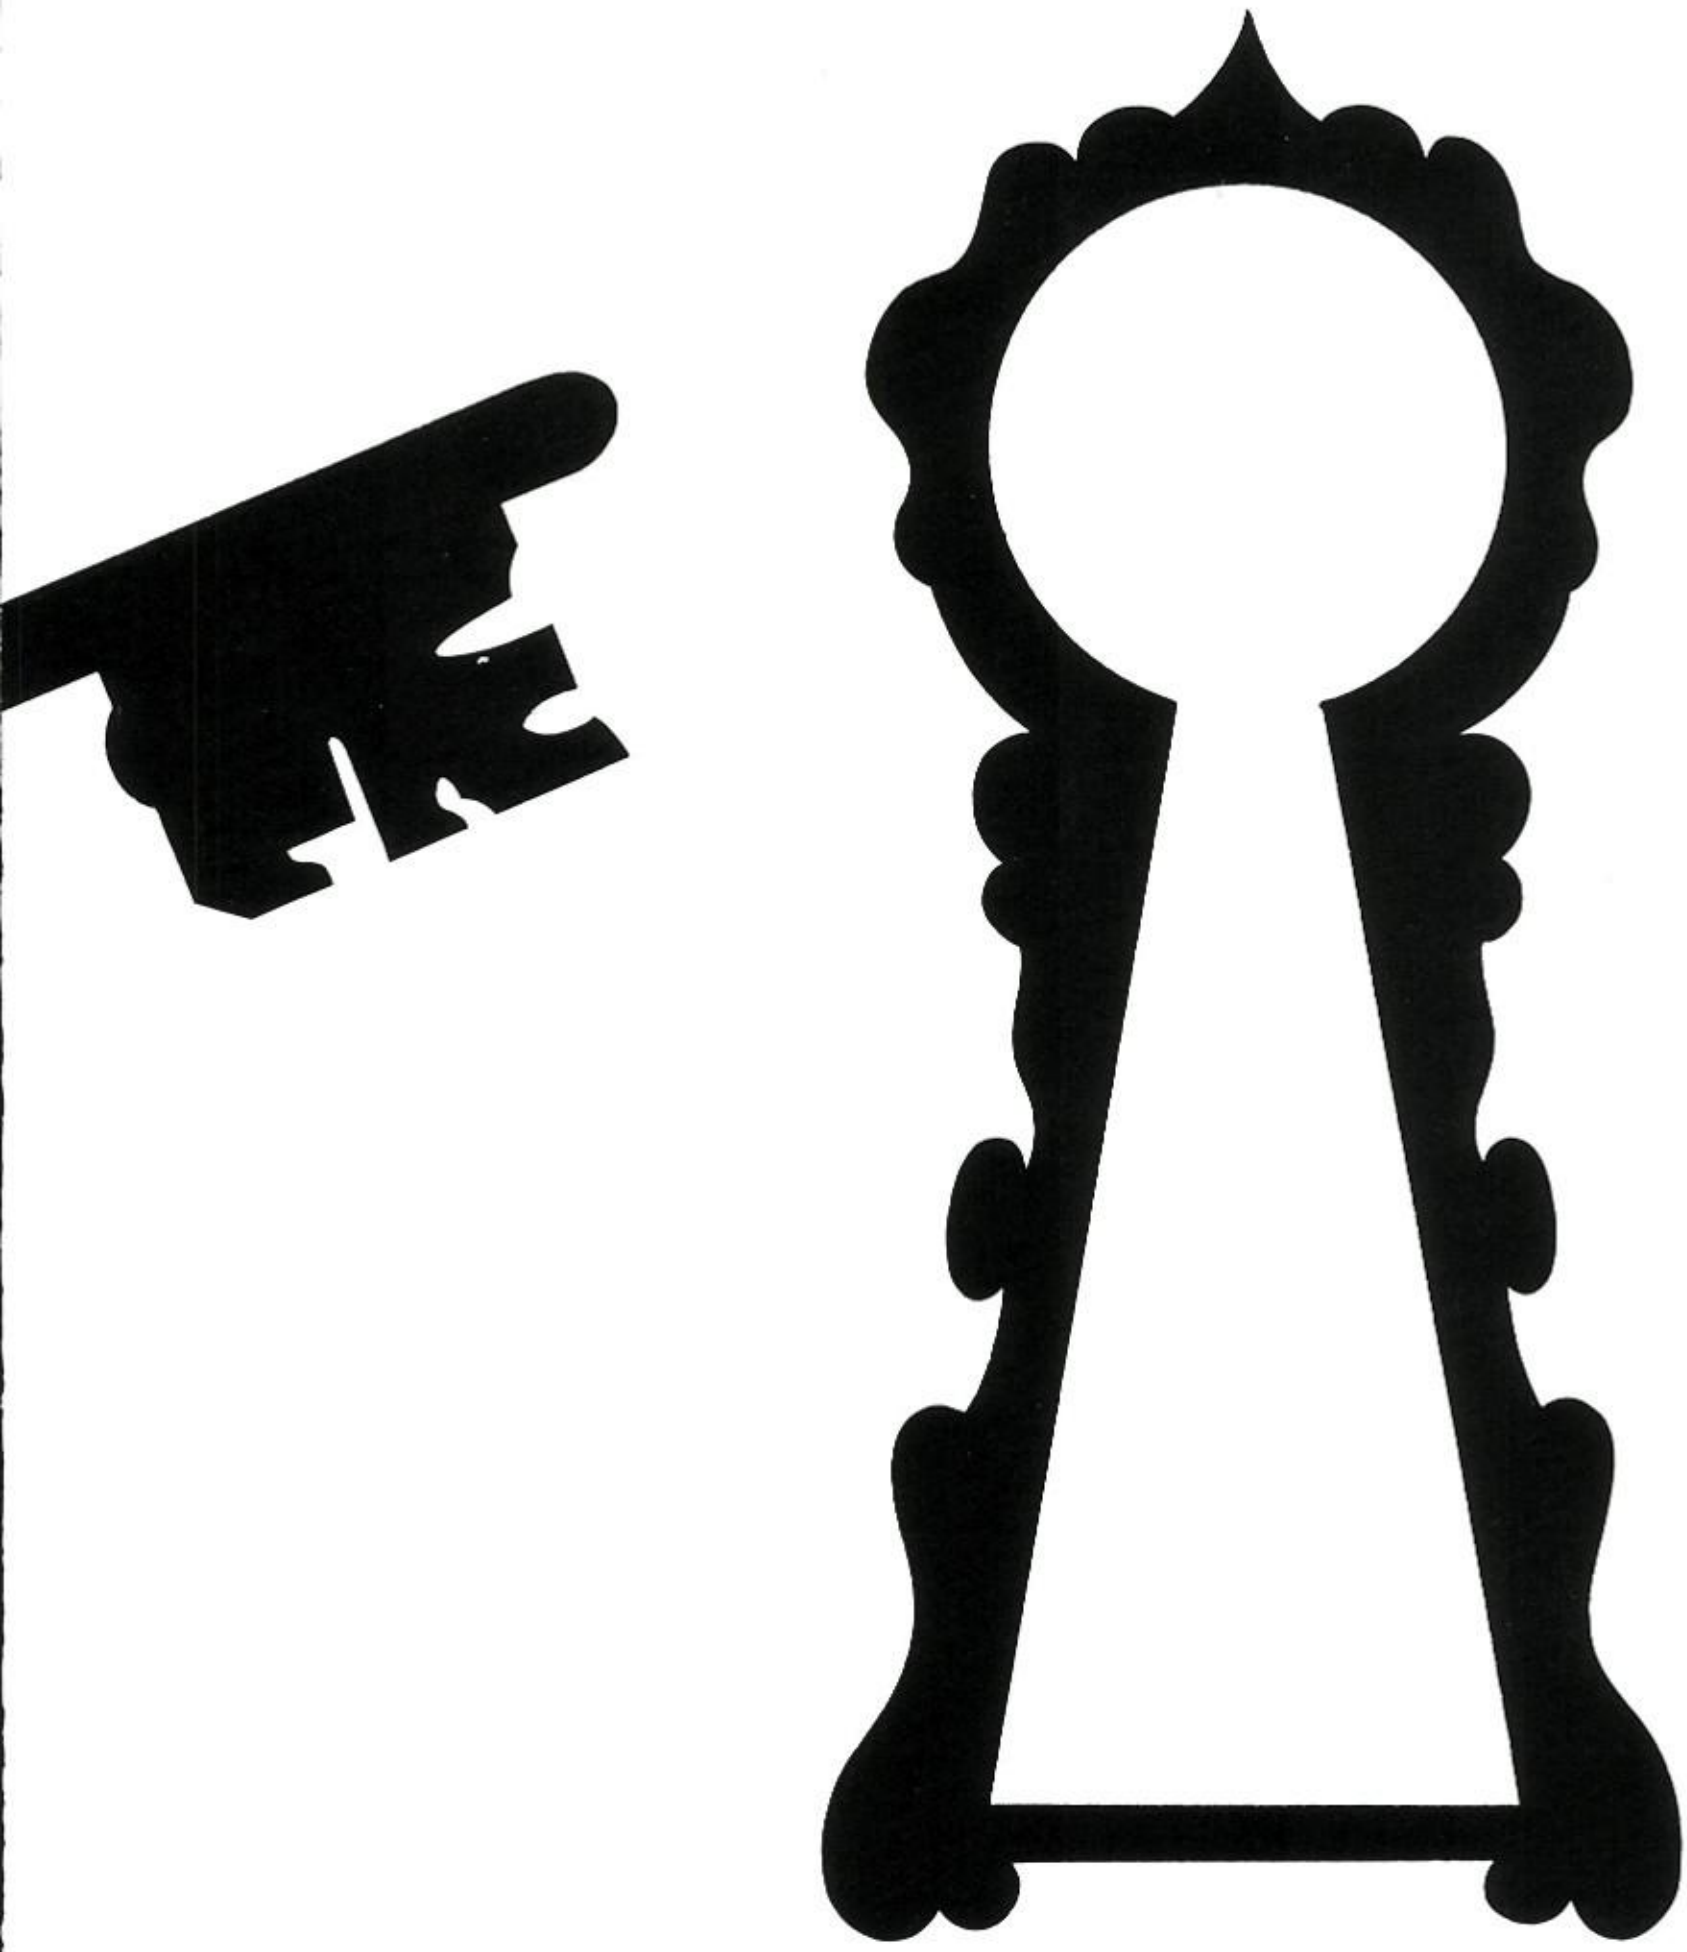
With the election of the 1965-66 Student Council the old year ended and the new year began.



Classes



The Senior Class of 1964-65 has proved itself to be one of the most outstanding ever to go through Garland High School. This unusually large class has been exceptional in many ways. It has raised scholastic standards, won coveted awards, and abolished, changed, or instituted numberless traditions.

For the first time, there was a summer annual including the entire year's activities. The Junior-Senior Prom was almost changed to a Senior Prom. The class as a whole helped lay the groundwork for a modern auditorium, band hall, drama, and choral facilities. There can be no doubt in anyone's mind that behavior at Senior Day was much different from that of classes in the past. Graduation night itself was a switch from the usual cut-and-dried ceremony. Next year's graduates probably will not broil in the sun at a football stadium for rehearsal and end up graduating in a sardine-packed gym just because of a thunderstorm.

This year's Senior Class has always been a closely knit one. Although it has weathered many disappointments, it also had rewarding moments of glory. Everyone pulled together and usually came out on top.

An era for Garland was drawn to a close as the Seniors graduated. With next year come graduating classes from two high schools. Never again will there be so close a sense of comradeship in our school as there was with this class.

On the trip back home, Richard Oglesby and Linda Spence seem to be engrossed in reports of that Garland-Galena Park football game.

So *THIS* is what goes on on the band bus! Linda Quillin and Mary Gamble are always good for a practical joke.

Graduation –

Ronnie Bell receives his diploma.

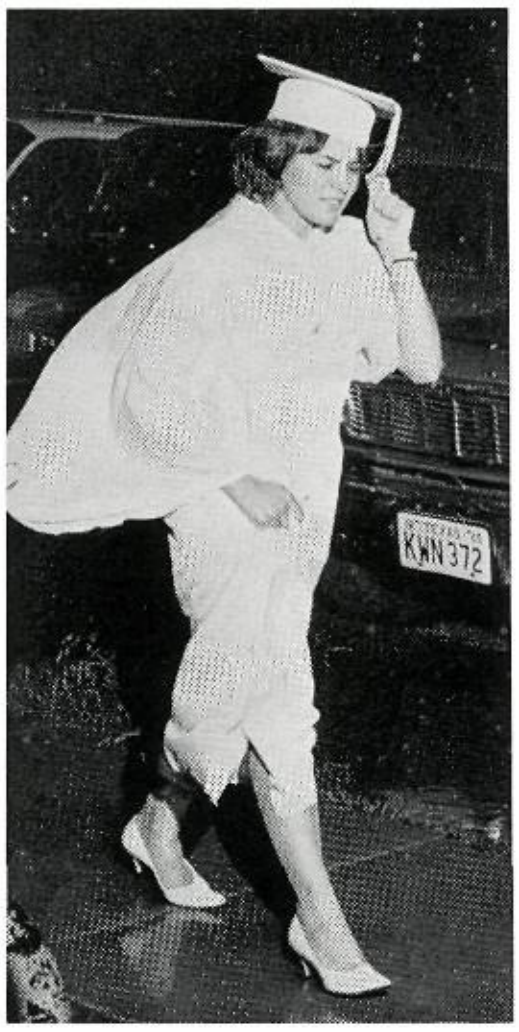
The 1964-65 graduating class wa
the largest ever to come out of Garlan
High School. There were 634 graduate
with 71 honor students.

Graduation night a terrific hail storm
blew up, creating a problem for th
ceremonies.

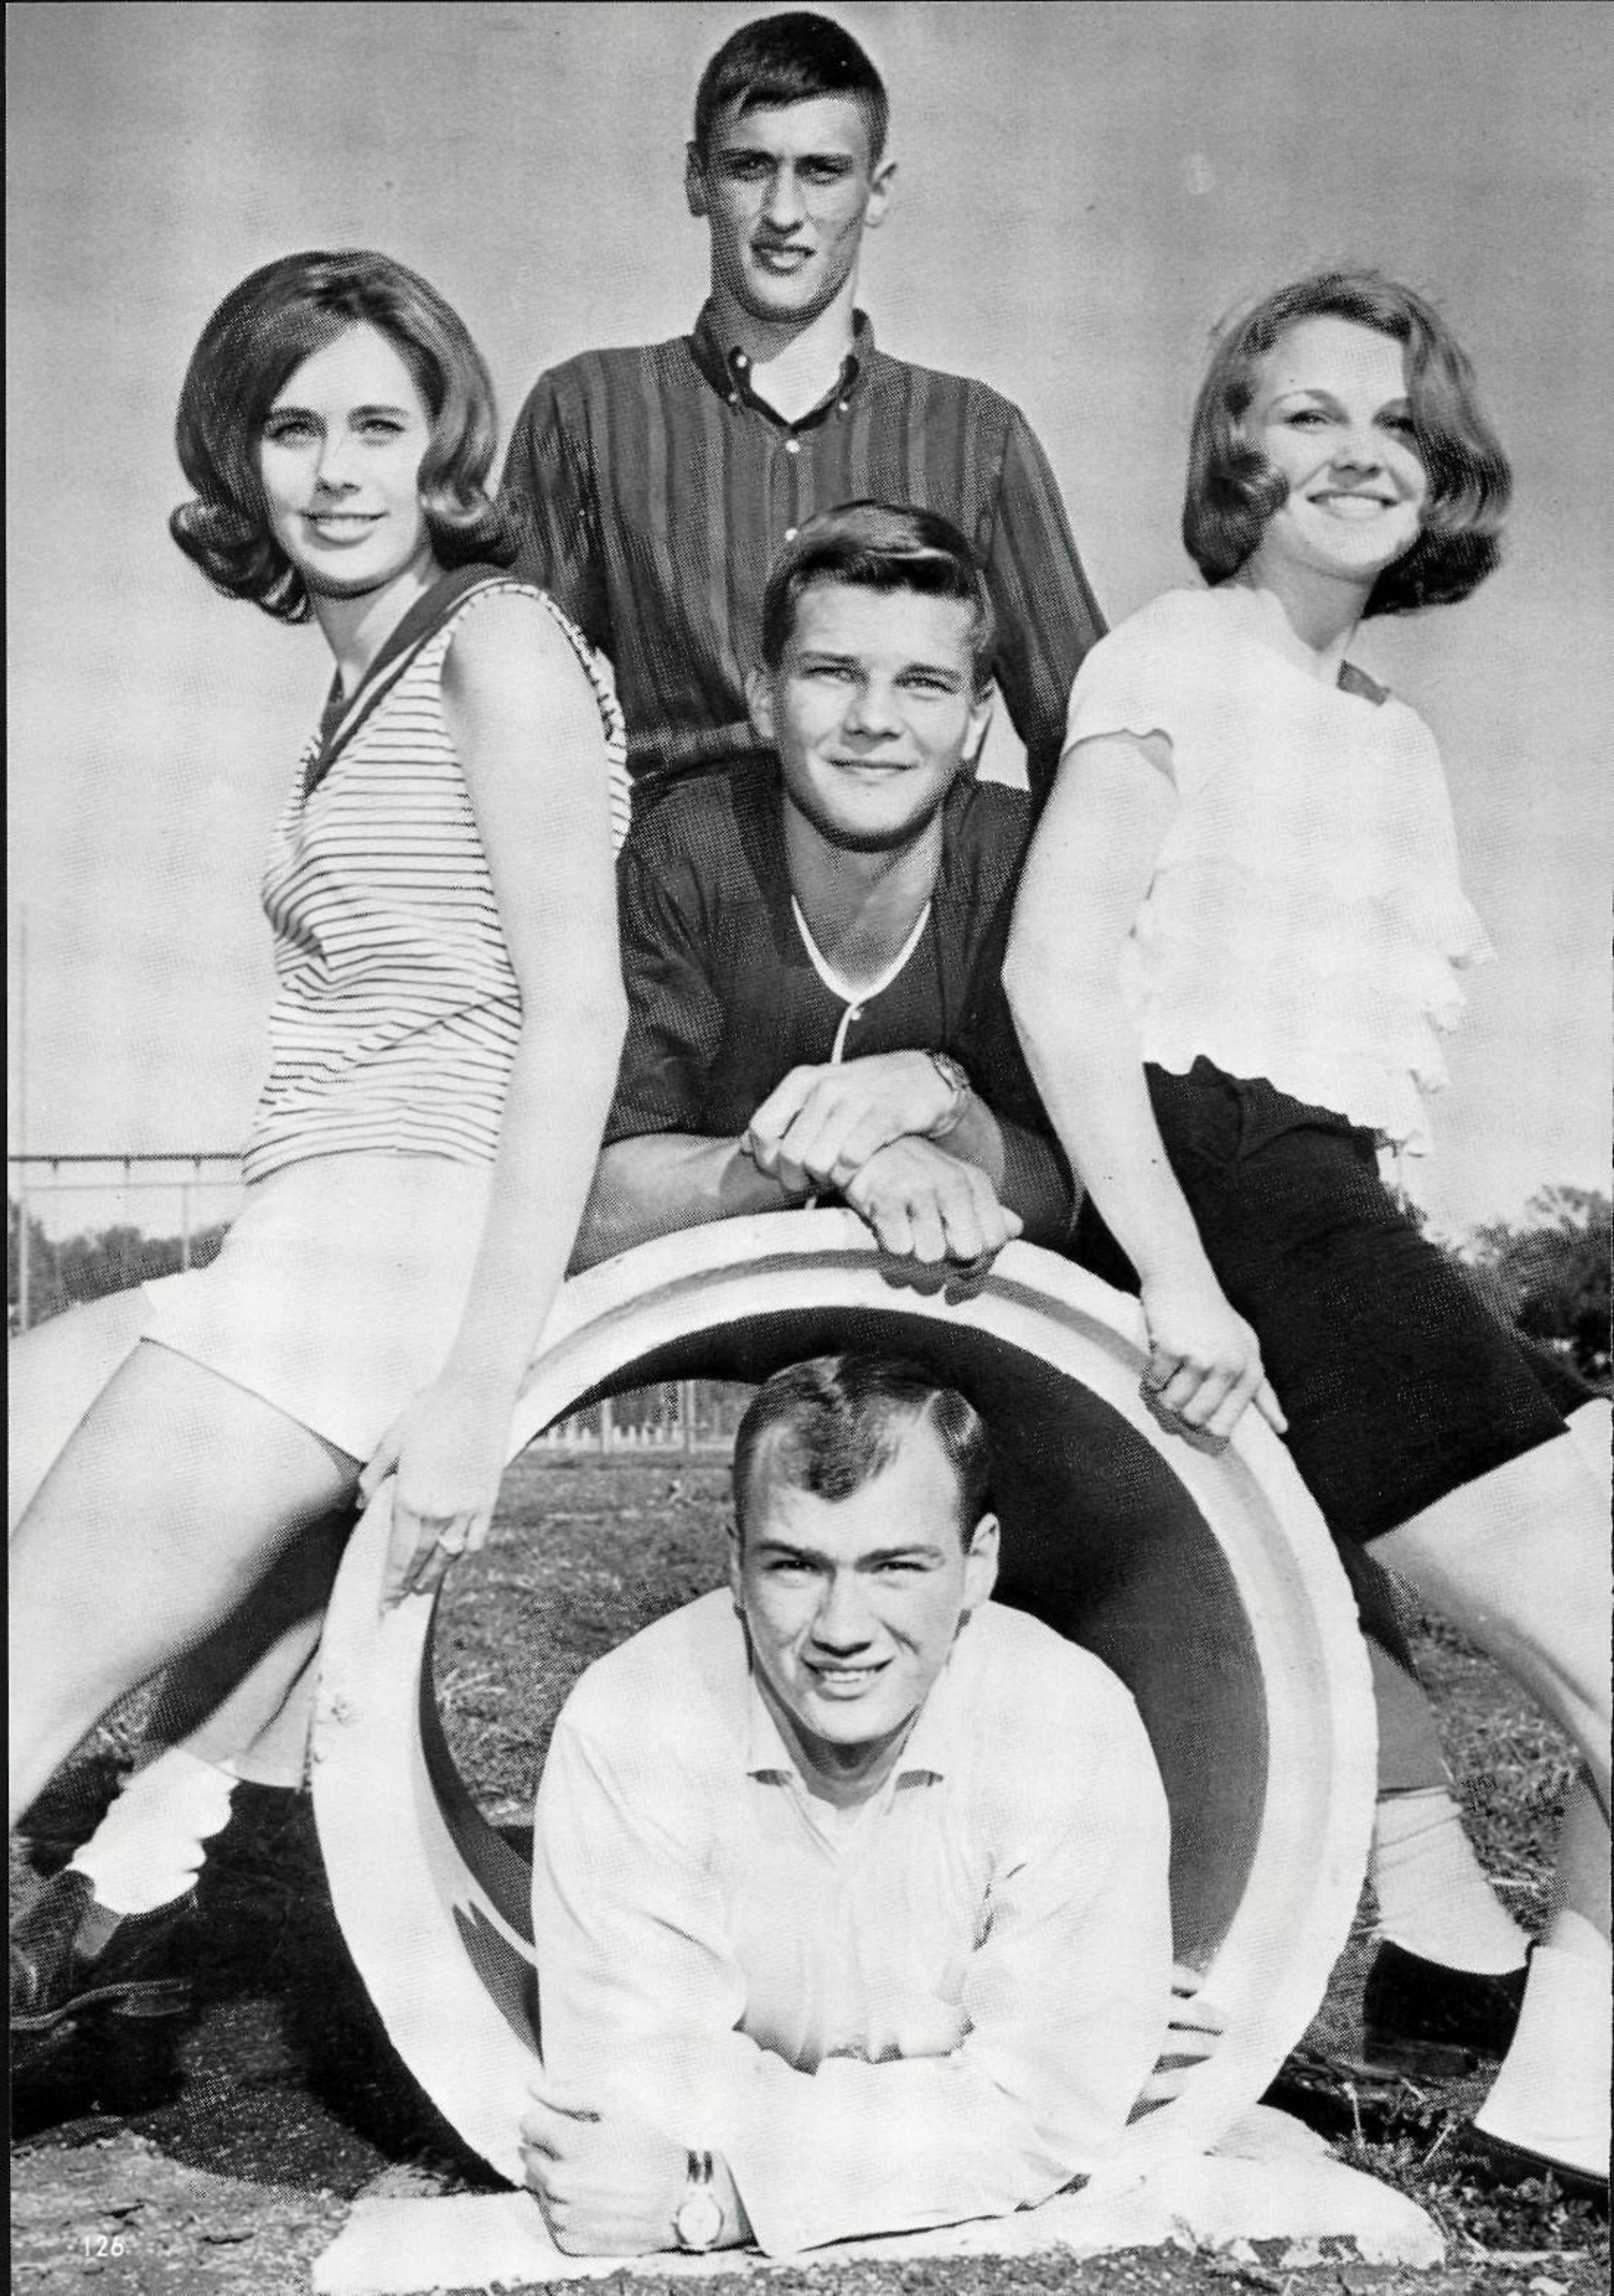
After much debate, all the student

1964-65

nd parents and friends were trans-
erred to the boys' Gym. There, packed
houlder to shoulder, 634 people were
raduated. To many, the stormy gradu-
ion was a disappointment and a let-
own, but all were happy enough to
eceive their diplomas.



Graduation was a disappointment to many.



With progress comes perfection. Although the school and students ave changed through the years, the ideals and goals have not. The junior ear still marks the turning point—the transformation from sophomore to enior.

The memories of the magazine drive, the Junior-Senior Prom, and the ng awaited class rings are mingled with rising school spirit, leadership esponsibilities, and senior expectations. There is no finer time to set he goals to be obtained as a Senior class.

By combining Garland High School tradition with new ideas, the '65 uniors have found a portion of the balance needed for progress towards erfection.

As every sophomore class before, the Sophomore Class of '65 entered arland High School with much anticipation. New experiences, new iends and new teachers awaited these underclassmen. Tradition seemed be the first interest in every sophomore's mind; such as the fall racking of skulls with red stones', the annual selling of candy, and the ipping in the fountain endured by the 'slower sect'.

Although underclassmen, they projected themselves in various money-aking activities. Candy sales, Garland Owl tags, and other projects have own the leadership and willingness of this class. Some sophomores xcelled in sports, others excelled in leadership, and many excelled in e boasting of Owl spirit, but each student expressed individuality.

The Sophomores of '65 have left a lasting impression on their many quaintances. Their ability and eagerness to learn and participate will rely increase as they grow with G.H.S.

After 14 weeks of bruising and thrilling football, the Garland Owls were declared Class 4-A State Champions for the second consecutive season.

When the Owls won the crown in 1963, the grid fans of Garland were astonished. A Cinderella team had been produced. But this past season, Coach Chuck Curtis was again at the controls and most everyone was not surprised when the Owls won all but one game.

That made it twice as tough for the Owls. They had to please the people and then came the difficult task of beating 14 teams that were out for the defending champ's blood.

After finishing a brief pre-district stint, beating Bryan Adams, 23-0 and walloping highly rated Samuell, 44-6, the Owls entered District 7-AAAA play.

Garland won seven of eight in loop action. Its only defeat came at the hands of rival Highland Park, 20-14.

Winning high honors this past season for the 4-A kings were Ronnie Scoggins and Gene Mayes. Scoggins con-

cluded the season with 27 touchdowns, breaking the all-time mark of 27, set by Bobby Boyd. Mayes grabbed All-State honors, plus being one of five Texas athletes to make the 95-man All-American grid squad.

Garland was quite successful in playoff competition this season. After a heart-stopping battle at Texarkana, the Owls took home a 20-16 win over the hometown Tigers. The next week, Garland met Fort Worth Paschal at Amon Carter Field in Fort Worth. Again the Owls were victorious. They plastered Paschal, 21-7. Then it was Amarillo Tascosa at the Cotton Bowl in Dallas. Acting as home team, Garland did itself proud, whipping Tascosa, 21-7. And finally, Galena Park was stopped 26-21 by Garland to wind-up play and present the crown to the Owls. It was at Houston against Galena Park that Garland faced its toughest competition of the year.

It was Curtis' last season with the Garland Owls. But the Owl mentor has left a record to be cherished and it isn't likely that anyone will ever top it. His mark for two years at Garland was 26 wins against one loss and one tie.

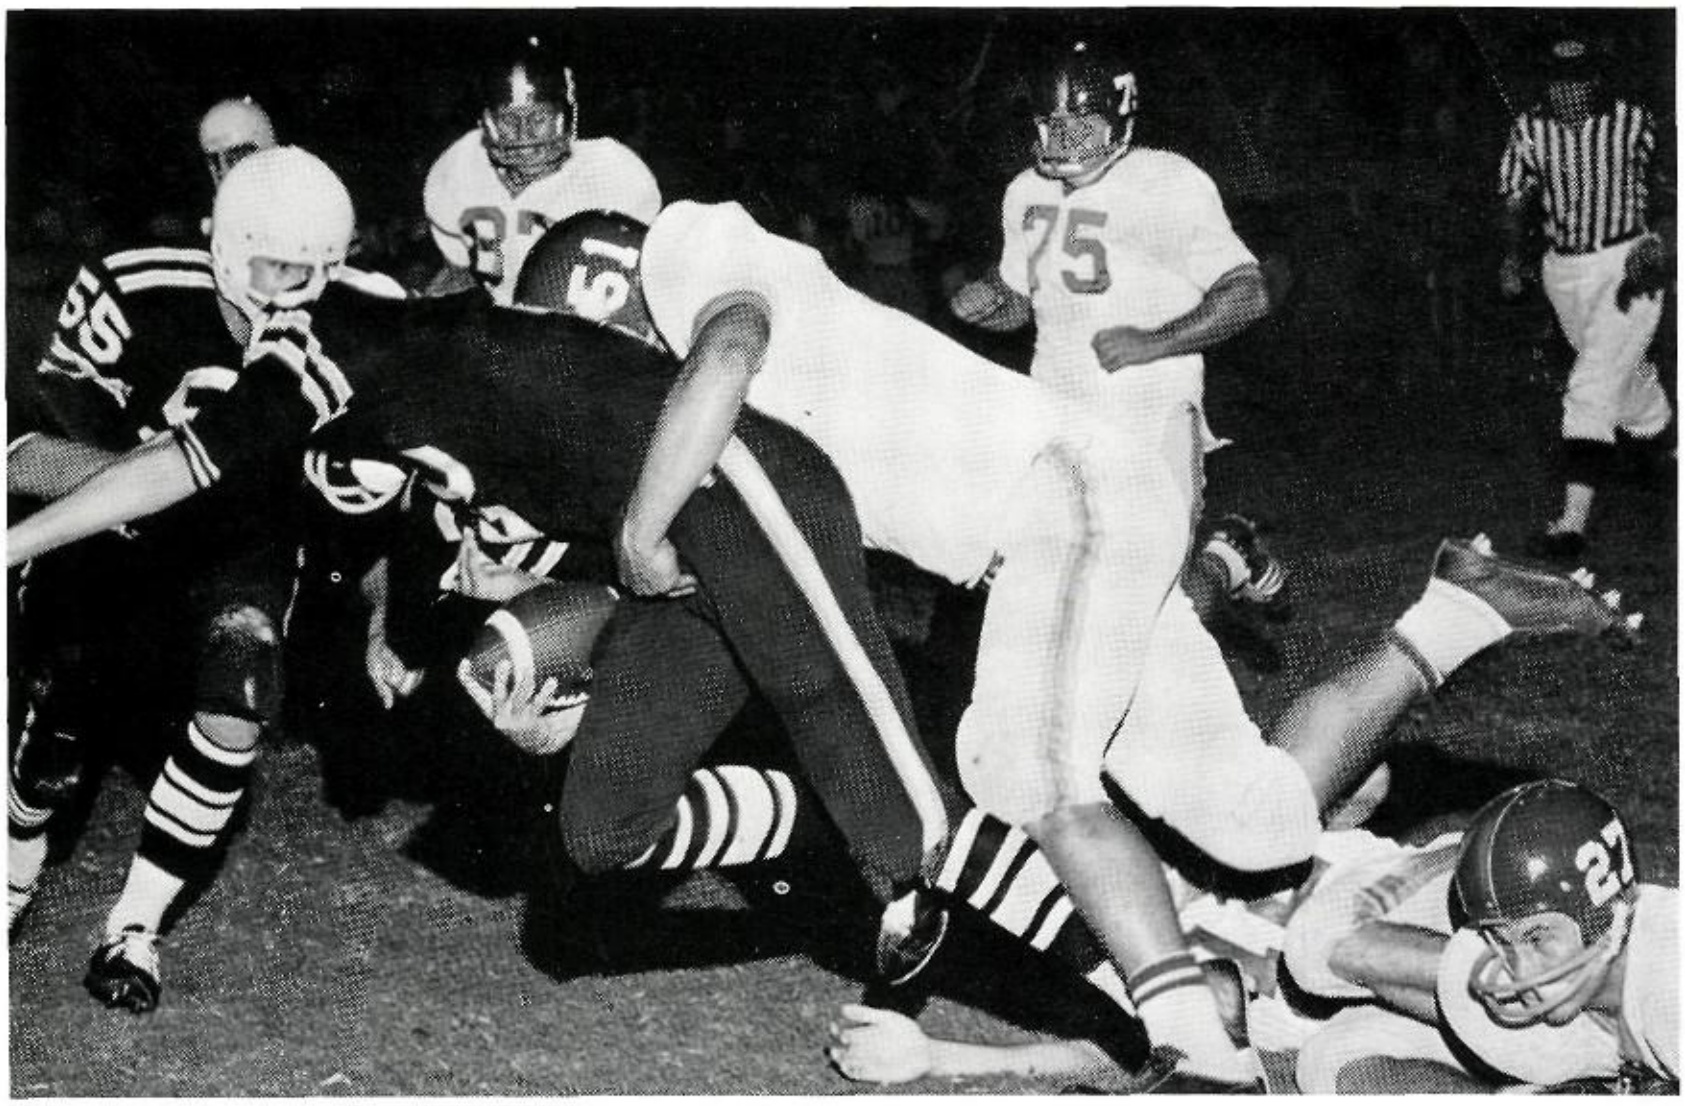
Garland 21 — Bryan Adams 0



Roger Parker (42) demonstrates his running skill that made him the third leading ground gainer.

Cliton Turner (36) fakes a B.A. would-be tackler out to make a long gain for the Owls.

The Bryan Adams Cougars dominated for almost three quart before the Garland Owls finally began playing sound football a charged to a 23-0 opening game win at Williams Stadium.

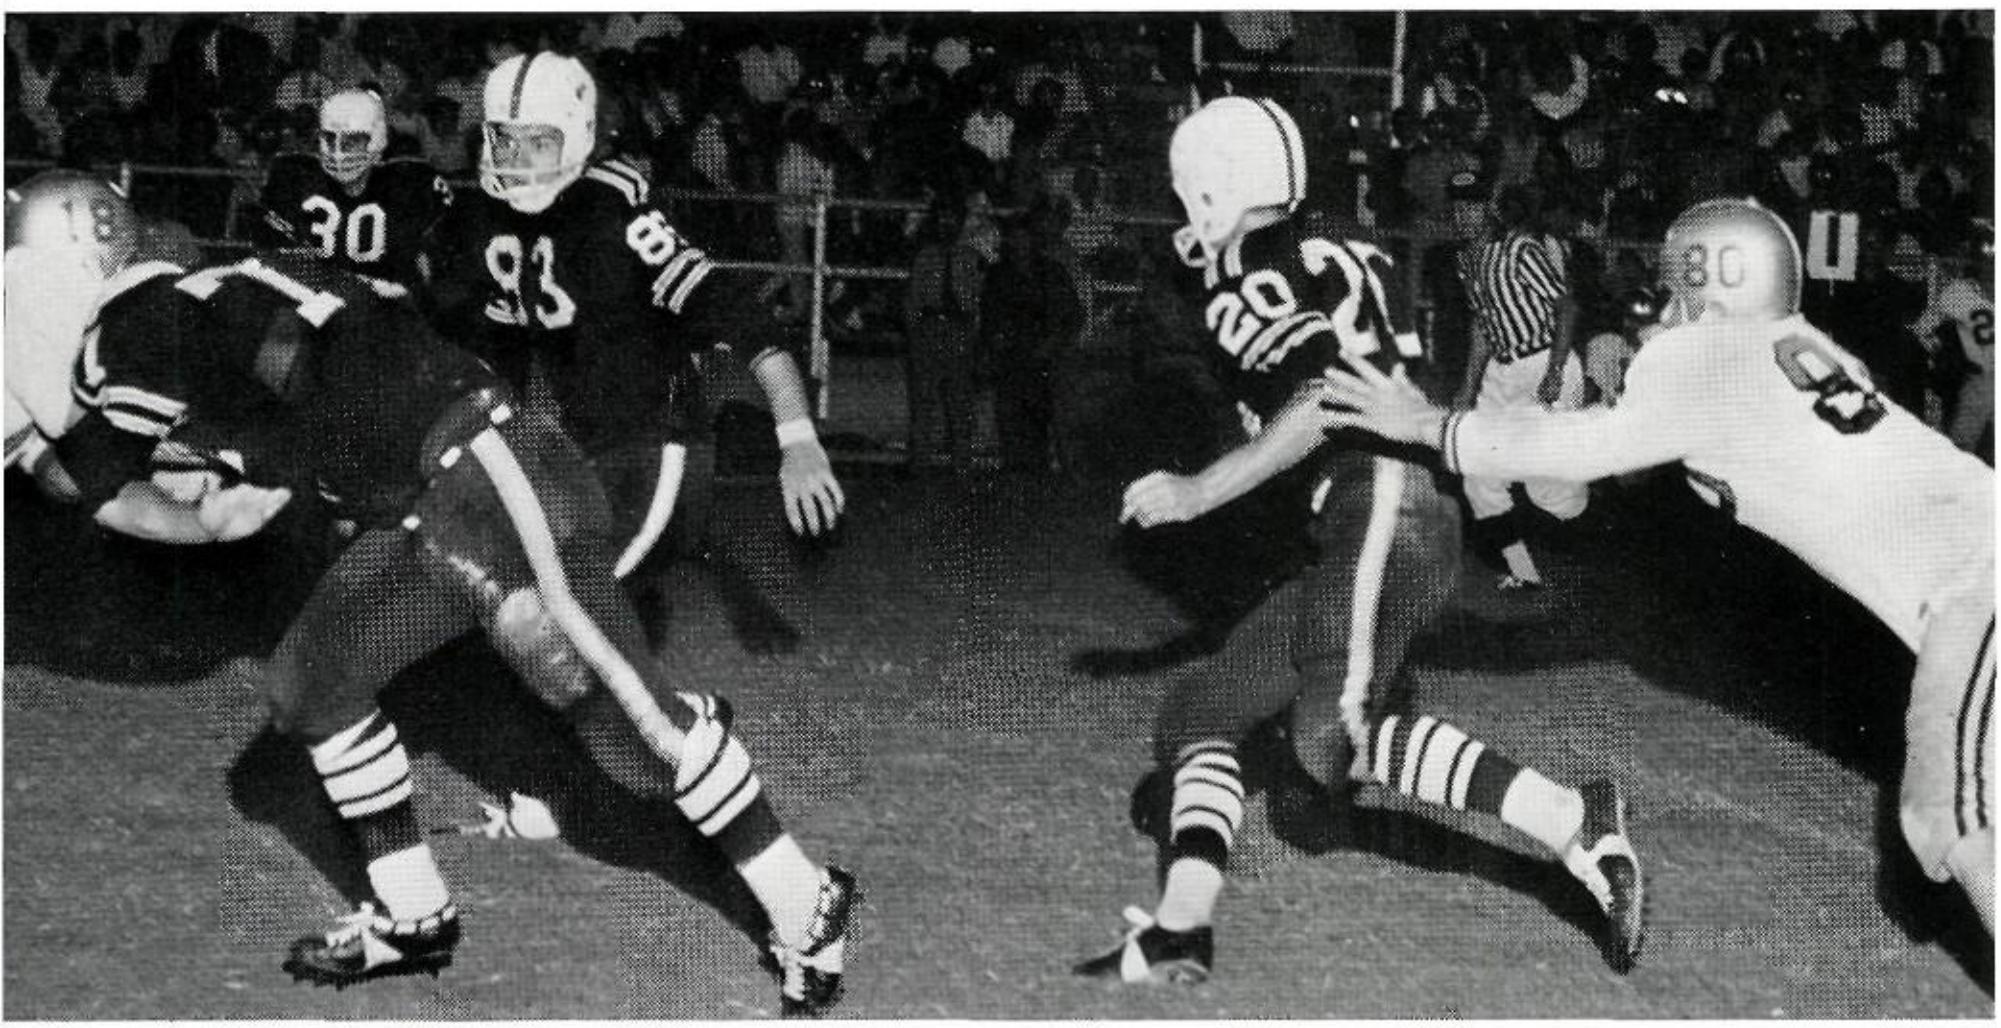
With 2:11 remaining in the third period, Garland halfback I Crump took the ball from quarterback Jimmy Adams and raced 37 yards and the first Owl score of the new season.

In the fourth period, Ronnie Scoggins displayed his fine pass cat ing and fabulous running ability as he grabbed two Adams' passes touchdown plays of 15 and 85 yards.

The score stood at 20-0 and there were three seconds showing the clock when Hugh Collins booted a field goal from 12-yards to make it 23-0. Collins also added two out of the three touchdo conversions.

Although the Owls got off to a bad start, they finished strong knock over the team who in '63 tied the Garlandites for the only bla mark against the state champions the entire season.

Garland 44 — Samuell 6



Bill Crump (20) makes good yardage after fine blocking from Gary Edgar (77) and Henry Luman (83).

The highly rated Samuell Spartans were not as tough as ey were predicted to be as they were crushed 44-6 by the arland Owls.

Ronnie Scoggins blistered the Williams Stadium turf as the p-notch Owl halfback ground out 174 yards in nine carries id also romped for three touchdowns.

Garland had totaled 19 points at the end of the first quar- r and tallied 19 more in the second stanza.

Bill Crump, Henry Luman, Ronnie Scoggins, and Steve itchell took care of the first half touchdowns, with Hugh llins splitting the uprights for the conversions and quarter- ack Jimmy Adams leading his squad brilliantly.

Garland pushed across only one TD in the final half. It ame in the fourth period as Rick Shugart tallied on a nine- ard pass from Adams.

The only Samuell touchdown came in the third stanza. amuell took the ball at the Garland seven after a fumble y Scoggins. In three plays, Johnny Johnson took the ball in r the score.

Quarterback Jim Adams (14) aims a well-placed pass despite a worrisome Spartan defender.

Garland 16 — Mesquite 8

The Garland Owls found out the hard way that the Mesquite Skeeters were no pushovers.

The Skeeters journeyed to Garland and threw a scare into the championship bound Owls. But when it was all over, Garland had squeezed out a 16-8 victory.

Garland's scoring came in the first and second quarters. Henry Luman snagged a Jimmy Adams pass for a 29-yard TD play. Then, another six pointer was put across in the second.

The Owls grabbed another two points in the latter portion of the fourth period as a bad Mesquite pitchout resulted in a team safety for the Garland group.

Mesquite scored its only tally on a three-yard bolt by Gary Hullet early in the fourth period. Then a conversion pass from Gary Coursey to Jack Williams gave the Skeeters two more.

Mesquite ruined many Garland threats with a tough and hard-hitting defense that jarred the ball loose from the hands of Ronnie Scoggins on four occasions.

The Owl defense provided the major weapon for the defending kings.

Garland 43 — Richardson 6

onnie Cox (24) starts to help Gene Mayes (61) on an Owl de-nsive move. However, Gene seems to have everything well in hand.

What was supposed to be a close game turned out to be a rout as the Garland Owls traveled to Eagle Stadium and dumped the host Richardson gridders, 43-6.

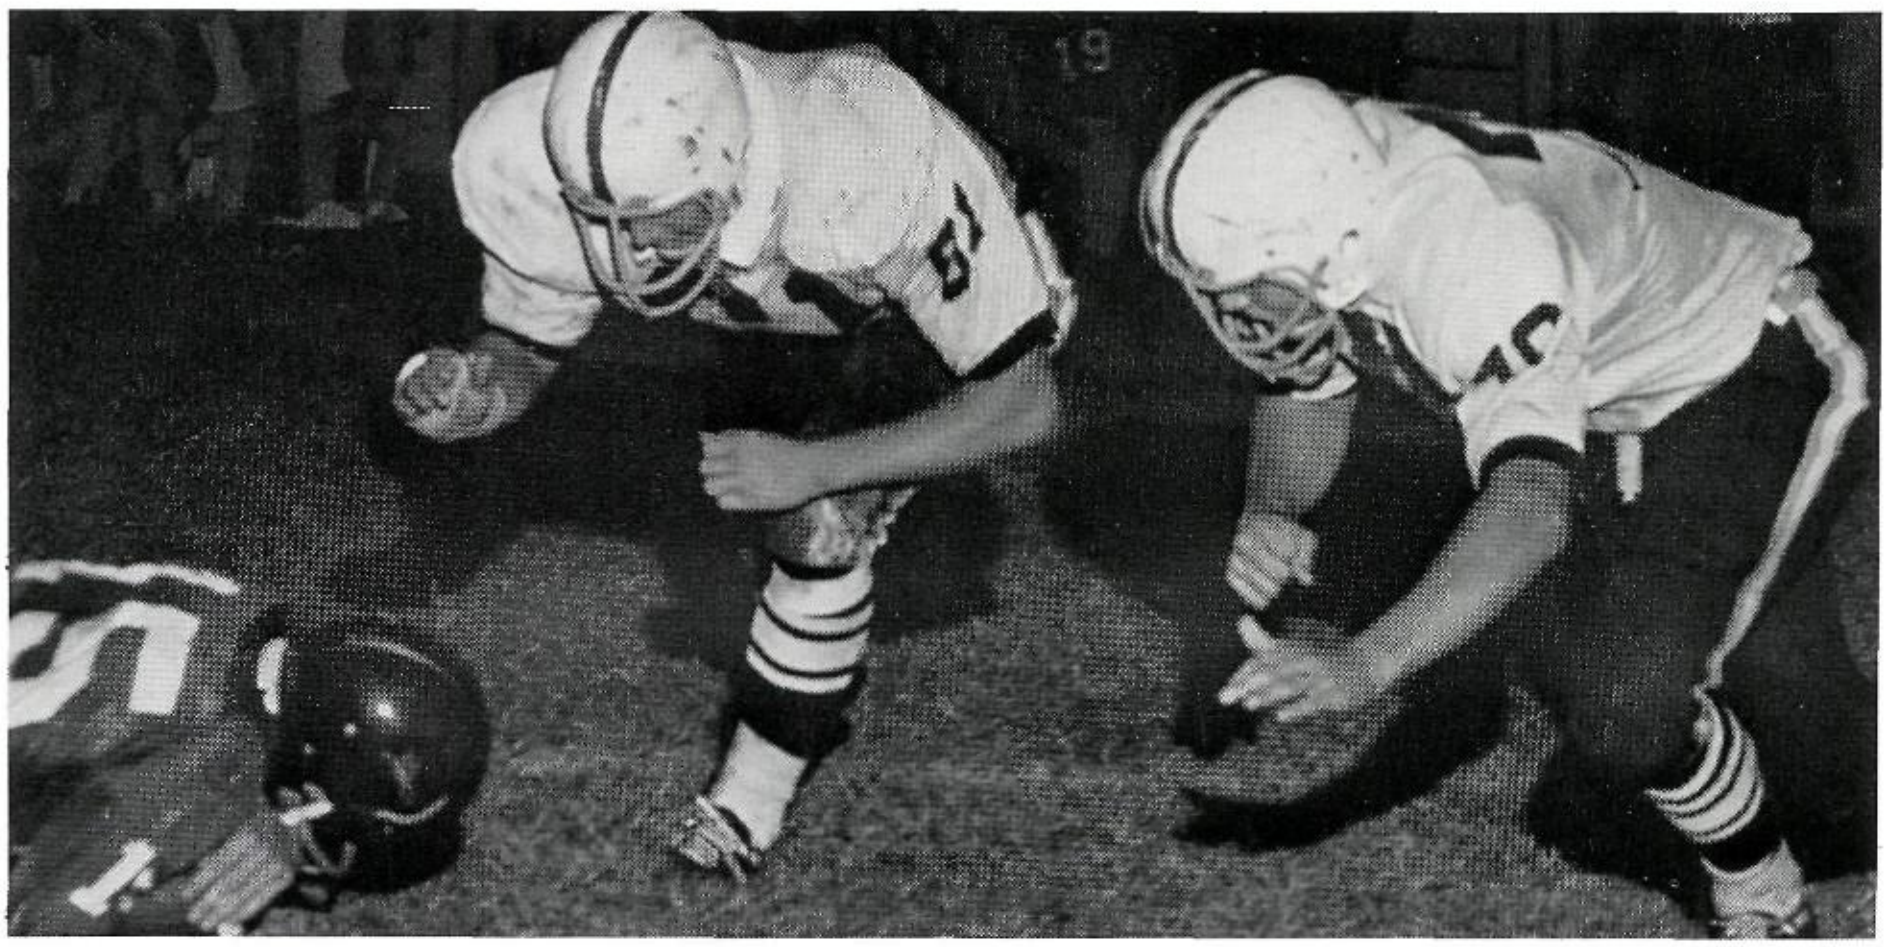
Ronnie Scoggins got the Owls clicking as the star halfback sprang for the first two tallies to give fans a preview of fine pro-type football from high school boys.

The next move by the Owls saw a team safety occur, then Clifton Turner slammed across for a score and a pass from Jimmy Adams to Lowell Halpin had the Owls in a 29-0 domination.

In the second half, Adams sent a six-yard pass to Halpin for the fifth TD, and Don Jacobs intercepted a Greg Langloh pass at the Eagle 30 and returned it all the way for the final talley.

Wendell Housley accounted for the only Richardson mark. With 5:36 left, he plunged from the Owl one.

Hugh Collins booted four of six conversions for the Owls and, as usual, Gene Mayes was Mr. Defense.



Gene Mayes (61) and Duane Cross (70) are ready to pounce on a fumble. But they are beaten by a Richardson defender.

Garland 34 — Paris 14

David Green (10) gains good yardage as Roger Parker (42) and Denny Wheat (55) block downfield.

Clifton Turner (36) makes a quick cut inside as Ronnie Scoggins (30) throws a good block as Gene Mayes (61) looks on.

Garland's Owls had one of their big scares of the season against the small but rugged Paris Wildcats.

The scene was Williams Stadium, and the No. 1 team in the state was in the title role and the low-ranked squad had the small part. But at intermission, Paris' supposed amateurs were making the biggest hit.

The Wildcats stole the show from Garland as they sent Bob Long over from the one with the first tally that put the star Owls behind for the first time in the new season. Long passed to Walter Beard, and the score was 8-0 in favor of the small but rugged Paris Wildcats.

The Owls finally got back into the act as they sen Ronnie Scoggins from the two into paydirt. Then Jimm Adams tossed to Scoggins for the tying conversion.

The two squads exchanged tallies again in the secon act with Clifton Turner scoring first for the Owls, an Long plunging from the three for Paris, making it 14-1 at the half.

Garland exploded in the final quarter, picking up thre touchdowns. It was Roger Parker and two more Scog gins touchdowns that gave the Owls the right to keep th title as No. 1 in the state.

Garland 35 — Carrollton 0

With the season record of 5-0 and a district slate of 0, the Garland Owls traveled to Carrollton to do battle ith the Lions and produced a 35-0 victory.

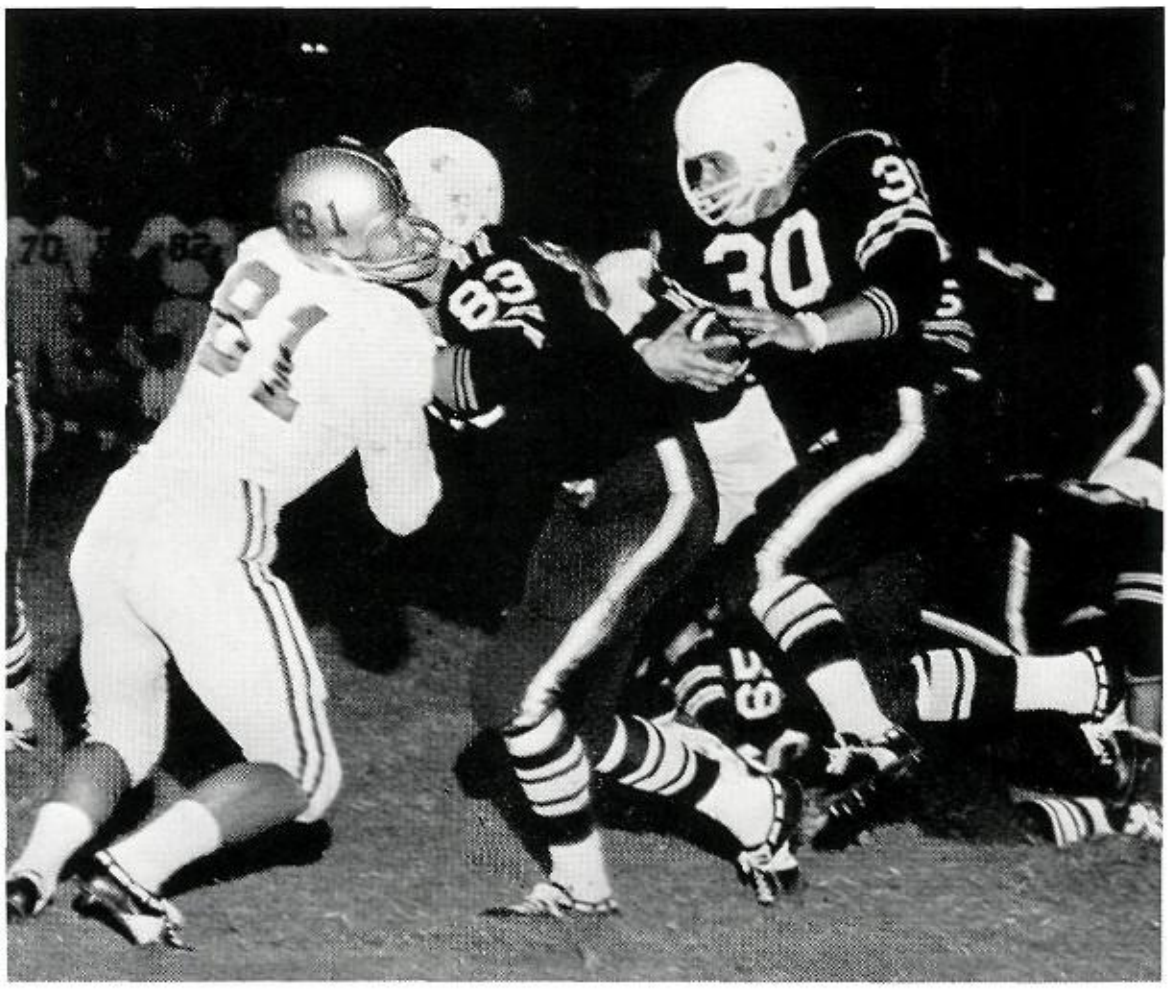
Garland scored quickly with only 2:48 gone in the ame. Fullback Clifton Turner put the six points on the oreboard as he plunged over from the six. Collins, who ooted four of four converted and the score stood at 7-0.

The Owls came back in the second stanza with the pass- g arm of quarterback Jimmy Adams doing the trick. Adams stepped back from the Lion 15 and shot a pass to Henry Luman, who was waiting in the end zone.

Turner struck once again in the second quarter with a one-yard plunge and in the third quarter, from three feet out.

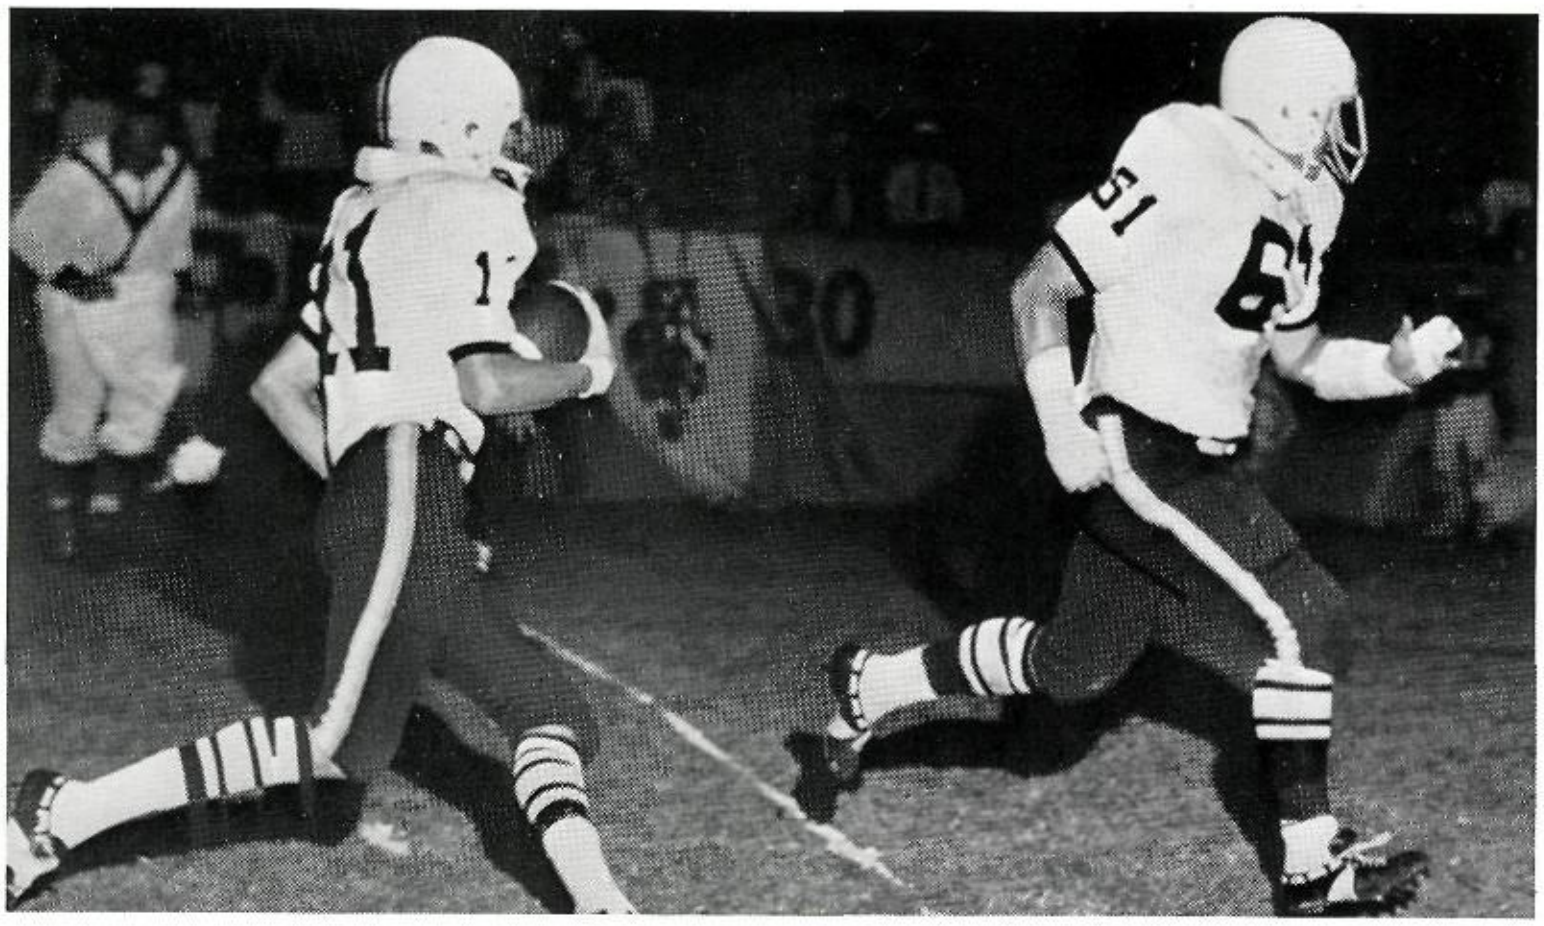
With the score at 28-0 and only 47 seconds showing on the clock, Don Jacobs intercepted a Lion pass and galloped 95 yards to paydirt.

Henry Luman scrambles for a few extra yards against Carrollton defenders. The Owl end accounted for one of Garland's five touchdowns in its 35-0 romp over the Lions.

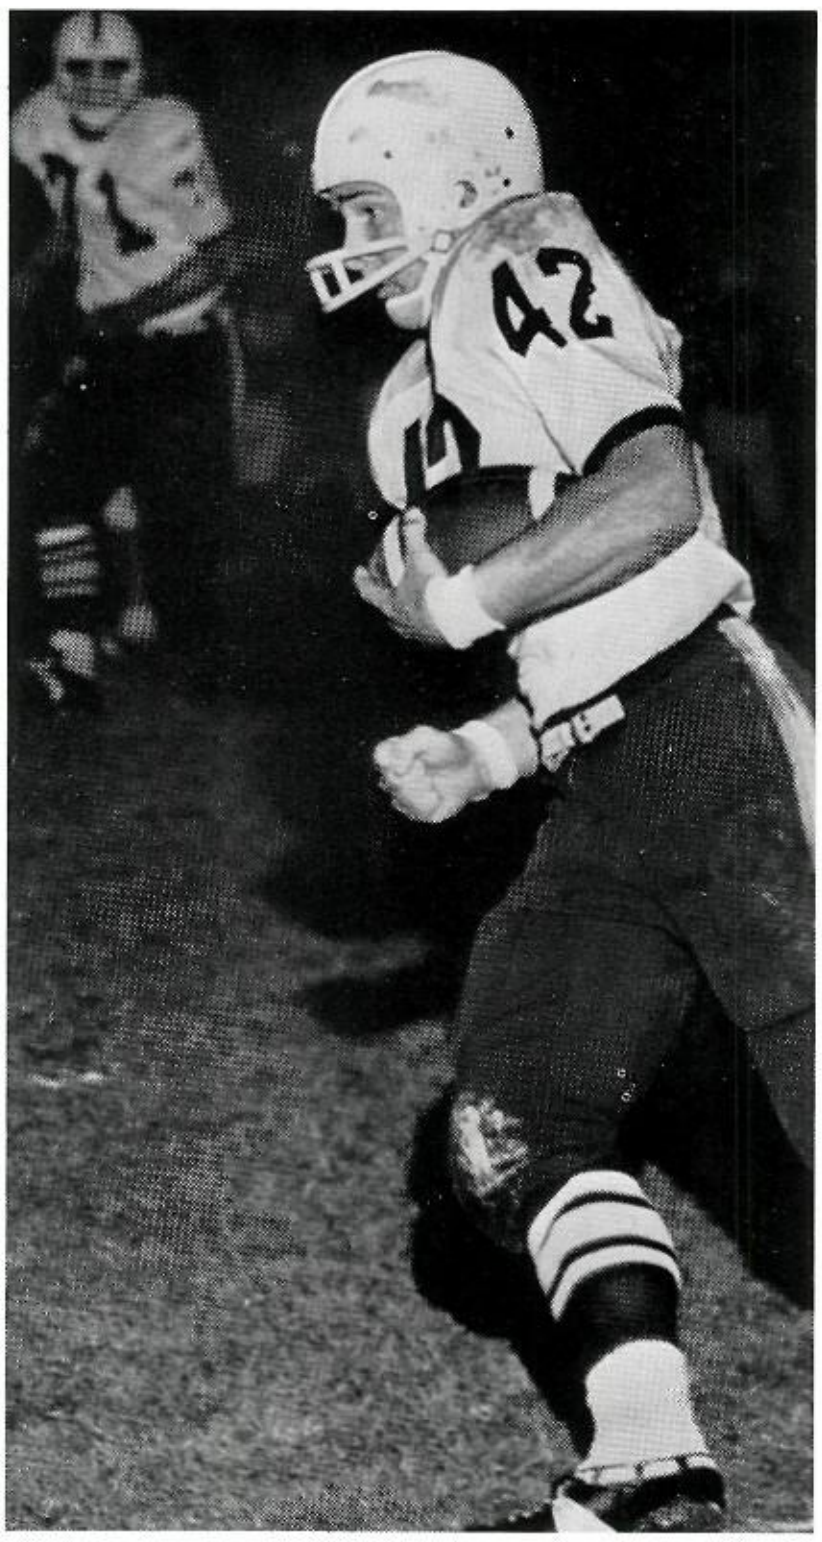


onnie Scoggins charges through the Carrollton defen- ve wall. The Owl fullback didn't score in the con- st but, as usual, he was there with the toughness.

Garland 14 — Highland Park 20



Gene Mayes (61) leads the blocking downfield for Don Jacobs (11). But even this run didn't help the Owls.



Roger Parker (42) tries hard to give aid to the Owls.

Defeat came to the Garland Owls in form of the Highland Park Scots. And the Highlanders did a fine job of it as they upset the defending champs 20-14 at Williams Stadium.

Coming into the District 7-AAAA clash, Garland held a 5-0 slate and were rolling along brilliantly. However, Highland Park was never behind.

Behind 7-0 with 8:35 remaining in the second stanza, Garland tied the Scots as Ronnie Scoggins carried over from the two. Hugh Collins kicked the conversion and it was 7-7.

With 55 seconds deep in the final quarter, Highland Park scored its insurance tally. Quarterback David Morgan laid the ball in halfback Denny Malouf's arms and Malouf galloped in for the 30-yard scoring play.

Behind 20-7, Garland had to fight the clock as well as Highland Park. Jimmy Adams managed to hit Bill Crump on the Garland seven and Crump carried in for the tally.

Highland Park took possession with 7:24 left and ran out the clock. It had just snapped a 19-game winning streak.

Garland 31 — Denison 0

The Yellowjackets played a determined first half as shown above. Here Jerry Butler (44) tries to stop the forward advance.

Cindy Blakeway shows the Owl spirit of the Garland cheerleaders in the closing minutes.

Hard driving fullback Clifton Turner carried the pigskin 12 times for 185 yards and scored one touchdown to inspire the Garland Owls to a 31-0 win over the hosting Denison Yellowjackets.

Denison played a brilliant defensive game most of the first half. But with 3:17 until intermission, Ronnie Cox plunged into the end zone from the one. Hugh Collins split the uprights, and Garland had a 7-0 lead.

With only a minute remaining until the half. Turner dashed 62-yards before being hauled down. But his run set up the next touchdown. Ronnie Scoggins did the chores with a 35-yard gallop. Collins kicked and it was 14-0 with 30 seconds left.

Garland continued to increase its total as Collins booted a 27-yard field goal with 4:17 left in the third period. Then about two minutes later, Turner blasted over from five yards out and Collins added the point, making it 24-0.

Roger Parker added the final tally grabbing a pass from Jimmy Adams for a 63-yard TD play. Collins converted and it was 31-0.

Garland 35 Sherman 0

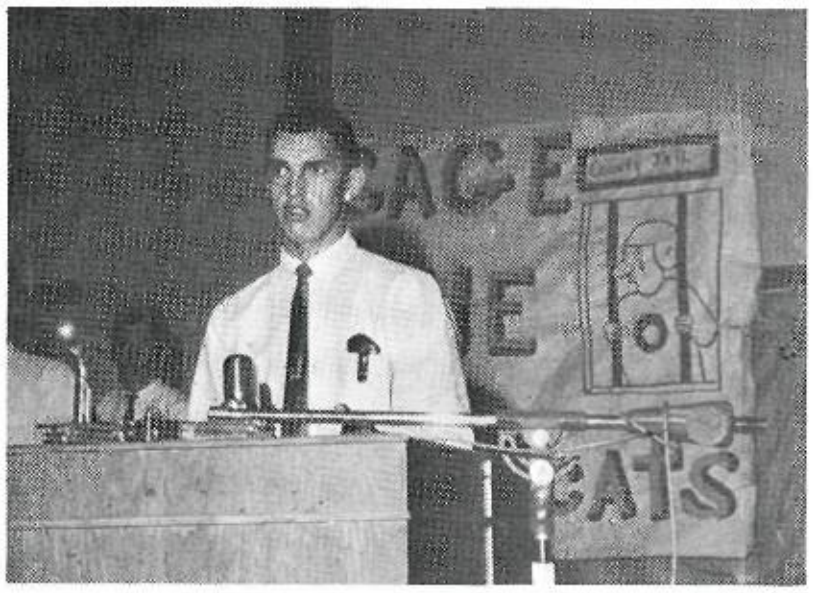
Getting ready for a game takes good hard work during the week.



Then getting the students and team in the right frame of mind.

The Garland Owls got off to their usual slow start but finished in a gallop as the finished the Sherman Bearcats 35-0. A homecoming crowd of 9,500 watched the Garland gridders send Ronnie Scoggins and Ronnie Cox on beautiful runs of 87 and 85 yards for two of Garland's touchdowns.

The Owls spent the entire first quarter fighting off the Bearcat defense, but in the second stanza, Garland picked up 13 points in the third, 14 and one final score in the last period.

Scoggins picked up touchdowns 14 and 15 while fullback Clifton Turner contributed to the Garland cause also with two TDs for the night.

Cox's brilliant gallop came in the last seven seconds of the game. Sherman had moved deep in the territory and shot a desperation pass. Cox was there at the 15 to pick it off and ran all the way to paydirt.

The victory gave Garland an 8-1 season record and a 6-1 district record.

Garland 51 — Denton 7

A crowd of 15,000 at Fouts Field watched Ronnie oggins score four touchdowns and lead the Garland wls to a 51-7 rout of the Denton Broncos.

The victory gave the Owls the District 7-AAAA champnship as the regular season came to an end.

Scoggins compiled 276 yards rushing in the halfback's finest game of the year.

The other three tallies went to Clifton Turner, Gary Marks and Steve Mitchell.

To the 6,000 fans that packed into Texarkana's Gri Stadium, it looked like an end to the 1964 football seas for their black and gold Owls. With less than four minut left in the game, the Texas High Tigers had possession the Garland 2-yard line and were in a 16-13 dominatio

But out of the blue came Gene Mayes and a host of oth Owl defenders to put the fourth down-stopper on quarterba Steve Copeland at the one-yard line. From there, Jimm Adams moved his team beautifully and with 35 seconds r maining, halfback Ronnie Scoggins galloped for three yar around left end and the Garland fans went into bedlar Hugh Collins split the uprights and with the population the stadium was still amazed at what Chuck Curtis's Ow had done.

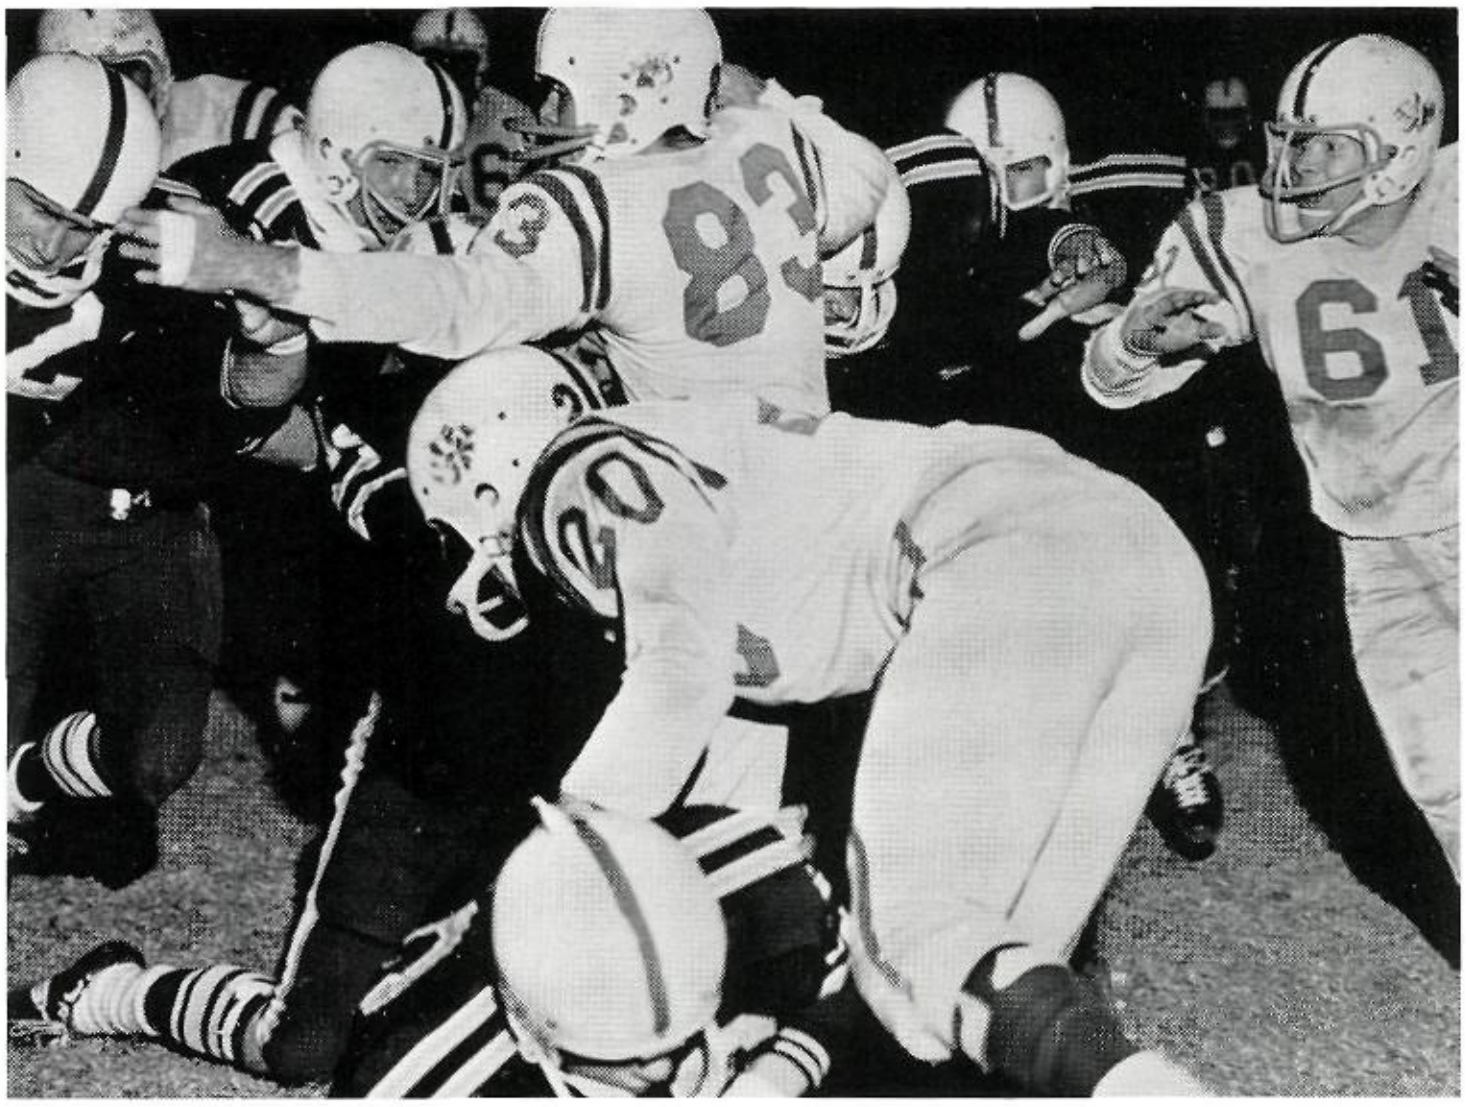
Garland 21 — Paschal 7



d hitting takes hard work and takes a lot of working to de- p that skill. Here is a demon- tion.

Garland's Owls moved a step closer to the state 4-A cham- nship as they journeyed to Paschal and planted a 21-7 s on the host Panthers.

A crowd of 20,227 watched as the Owls sent fullback Clif- Turner 97 yards in 20 carries. He also scored one of the ee TDs.

Garland 21 — Amarillo 7

"They won't go home thinking we won by a one-point fluke this time," commented Coach Chuck Curtis after his Garland Owls pounded out a 21-7 victory over Amarillo Tascosa.

In the season of 1963, the Garland gridders traveled to Amarillo and edged out a 7-6 win. But the season of '64 was quite different.

A Cotton Bowl crowd of 35,000 witnessed an assault on the undefeated Rebs.

Garland picked up 21 points in the second period and Tascosa pushed across one tally in the same stanza which concluded the scoring.

In the early moments of the second period, the Owls began to drive. They went 82 yards and took only six plays to execute. Ronnie Scoggins plowed over from the two to climax the march.

Soon after, Scoggins struck again. This time it was a 9-yard scamper that put Garland in front by two touchdowns.

Garland finished the year with a 13-3 district record and a 25-6 season mark. The Owls were in contention for the crown up until the final buzzer of the season.

A couple of early losses to Sherman and Highland Park halted the Garlandites for only a brief time. The Owls stacked up eight straight before finally being beaten by Denton. However, even after losing to Denton, the Owls had slight hope. But the Scots snatched the title in the last game of the season while the Owls beat Richardson to finish in second spot.

Garland placed second in the Jesuit Tournament during pre-district action. The Owls rolled up a 13-3 district mark and a season slate of 25 wins against five defeats.

The Owls kicked off the district still on their winning ways. But they were finally halted by a rugged group of Denton Broncos. The Garland Owl golf team played 12 golf games this year winning all but two. The Owl golfers played Thomas Jefferson twice, they won one and lost one; Richardson three times and won all three; Sherman twice, won one, lost one; Denison twice and won both matches; Gainesville, South Oak Cliff, Highland Park all one and won them all.

Garland golfers played in two tournaments this year. They were Southwest Recreational Meet in Benbrook, Texas, where they came out in 5th place and the Dallas High School Invitational. where they came in 4th place. This was the first time they have played in that meet.

The whole team placed 5th in district competition, also putting Tommy Turrentine in the Regional golf meet as a district medalist, the only one on the Owl squad. In Regional competition Tommy was beaten by three strokes by Bill Maynard of South Oak Cliff. The Regional meet was also held in Benbrook, Texas.

The golf team will only have two golfers returning for next season, one of whom lettered on the golf team this year.

Tommy Turrentine broke the District record in low scoring when he shot 66 twice to break the previous record. This was the second year a Garland player has placed as a Medalist to go to the Regional meet. Last year L. D. Cloption placed as a Medalist to go to the Regional golf match.

Six boys are leaving the Garland golf team, and they are Tommy Turrentine, Zack Hodges, Larry Caldwell, Pat Crawford. Jerry Davis. and Jim Starling. Most of these boys are going to play for colleges next fall.

Editor's Comments

As the seemingly endless hours of work and worry draw to a close, I cannot help but feel a deep sense of satisfaction on having completed this book of memories. Mingled with this feeling of accomplishment is a sense of great appreciation. In addition to my staff and our sponsor, Mrs. Blackburn, who have actually made the annual what it is, there are others who deserve special recognition. Mr. Clint Sutherland, Mr. Garry Christian, Mr. Kirby, Mr. Doc Allen, and Mr. Dick Nalley all deserve special thanks for their services as photographers.

I thank everyone else who helped in the making of this annual and I hope that it remains a constant and wonderful reminder of GHS, 1964-65.

Closing

The year ends and the doors close and we have the future ahead of us. This collection of the year's activities encompasses much for each one of us. We can relive a moment of the past with each page we turn. This book will serve as our key to our memories as long as we possess it . . . and those very memories will serve as our key to the future.
